VILLAGE HALL COFFEE MORNINGS

All villagers and friends are invited to a coffee morning once a month, on a Saturday, at the village hall. The purpose of these coffee mornings is to offer an opportunity for villagers to get together and chat, whether you are a new or "old" resident. The mornings are hosted by different organisations in the village and details of dates and hosts are published in the newsletter, which is delivered free of charge throughout the village by our team of volunteers - thank you to them!

Please try to come along to any of these mornings to meet old friends and make new ones. They are an important part of the fabric of the village and allow new residents to get to know their neighbours in an informal and relaxed atmosphere. They are not designed to be fundraising events but the occasional raffle might creep in!

Other coffee mornings are held to support individual charities and organisations, and again details can be found in the newsletter. There are regular annual fundraisers for a wide variety of good causes so please support when you can. Looking forward to seeing you there.

The Village Hall Management Committee

LINDA BUCKLEDEE

As most of you will be aware, my Mum, Linda passed away on 3rd August, with her funeral being held at Newton Church on 23rd August.

On behalf of all our family – Dad (Harry), Stephen, Philip, Maria, Harriet, Polly, Tim, Julian, Imogen, Bridget, Frederick, Annabel and Beatrice, I would like to thank everyone in the village and beyond for the tremendous support and kindness you have shown. Dad was absolutely overwhelmed with the cards and messages from so many of you remembering the person she was before Alzheimer's Disease took her from us. Your care and support of my Dad is very much appreciated and has really helped.

It was wonderful to see the Church so full on a glorious sunny day and special thanks to Reverend Judith for her love and guidance, and of course the ladies responsible for the flowers. I think Mum would have been really pleased. Amongst the many things people remembered about Mum, apart from her kindness and being good fun, was her cooking. Dad tells me that a particular favourite in the village was Chocolate Pear Trifle so here is the recipe. Just think of her when you make it and enjoy. It is very easy.

Thank you everyone.

Janet Dodwell

Chocolate Pear Trifle

1 chocolate Swiss Roll	1 tin of pears	Small bar plain chocolate
2 tablespoons cornflour	1 tablespoon cocoa (not drinking chocolate)	
1 heaped tablespoon of sugar	1 pint of milk	Tub Whipping Cream
1 large Cadbury's Flake		

Method:

Mix the cornflour, cocoa and sugar to a paste with a little of the milk in a bowl. Bring the rest of the milk to the boil and pour over, stirring all the time. Break up the plain chocolate and add. Return to the pan to thicken if necessary and then pour back into bowl to cool, stir from time to time to stop a skin from forming.

(You can add a little evaporated milk to make it extra creamy if you wish)

Whilst the chocolate mixture is cooling, slice up the Swiss Roll and place in trifle dish. Add the tinned pears and all the juice. (You can put in some sherry if you wish)

Tip the cooled chocolate custard on top. Whip the cream to soft peaks and add.

Chop up the Flake and sprinkle on top. That's it!

(If you come across a packet of chocolate blancmange mix, you can use that instead of making the custard, but you still need to add some squares of plain chocolate to improve the flavour)

YOUR NEWS

We would like to say thank you to all the people who kindly sponsored us for the church cycle ride. Amazingly we have collected £150 which will be shared between All Saints church and the Historic Churches Trust!

We cycled over 20 miles, visiting 22 churches. From here we went via Cornard, Sudbury, Melford, Acton and Edwardstone finishing off in Boxford.

We thought we were going to get soaked but in the end the conditions were perfect.

Thanks again.

Marianne and Richard Anthony

ARE YOU MISSING A TEA PLATE?

Having bid successfully for some delicious scones at the Autumn Show, I acquired a Denby tea plate with one of the lots. Please contact me on the telephone number below, so that I may return it to you.

Wasn't it a great occasion held in our lovely Church for the first time? A big pat on the back for all concerned – Sue, Paul and all the helpers, contributors and tea ladies Carole and Joan (lovely cream teas!) Didn't our cyclists do well too? It all made for a wonderful afternoon!

SAD INCIDENT

I feel I have to report a very sad incident. A woman walking three dogs, two spaniels and a jack Russell on the track past Potash Pond, her dogs not under control. (No dog leads) The dogs jumped into the water and proceeded to kill the ducklings that we and our neighbours have been feeding since they were hatched. They used to come into the garden at regular intervals for their food.

We don't know if the person responsible is a Newton resident. She refused to give her name, or just someone bringing dogs up to the village to do their business. She knows who she is and we hope she feels ashamed. May I suggest she purchases dog leads and uses them.

GREAT CORNARD LIBRARY – THE BIG FRIENDLY READ

Great Cornard Library has been celebrating the success of the 2016 Summer Reading Challenge –and has contributed to Suffolk Library's record-breaking effort with 8,300 children taking part across the county.

Each year children are encouraged to read at least six library books during the school summer holidays and to come into the Library to discuss the books with volunteers. This summer The Big Friendly Read celebrated the 100th anniversary of Roald Dahl's birth and the children were able to collect cards of the much-loved Quentin Blake illustrations from Roald Dahl's stories for each of the books they read.

199 Cornard children took part in the Challenge, with 134 reading six books during the summer holidays. The Library celebrated their achievement with presentations on Saturday 10th and Sunday 11th September, when they were rewarded with medals and certificates by Councillor Beer, Toni Davis, Head of Pot Kiln School and Emma Bishton, Chair of the Friends of Great Cornard Library.

We couldn't run the Reading Challenge without the help of our wonderful volunteers – this year 18 – including 12 young volunteers – gave 252 hours of support to our readers – listening to them talk about their books, updating the progress displays and handing out the reward cards.

The Summer Reading Challenge is a fun, friendly and free way to entertain the children during the holidays – and to encourage them to enjoy their reading and to use their local library. We look forward to running it again next summer.

NEWTON GREEN GOLF CLUB NEWS

NEWTON'S ALICE AND LILY MAY HEAD FOR PORTUGAL

Two young golfers who have both been hitting the headlines this year are now playing out of Newton Green.

Both Alice Barlow and Lily May Humphreys have qualified to be part of the field in the prestigious Telegraphy BMW Junior Championships Final at Quinta Do Lago, Portugal, at the Start of November. Barlow, 17, has played at Newton since she was nine, and Humphreys has recently joined following a move by her family to the Sudbury area. Humphreys, 14, is already an England junior international, and in a number of spectacular successes this year became the national girls under 16 champion. Barlow is the current Suffolk Ladies and junior champion and has gone on to be the first winner of the England Girls' County champion of champions title at Woodhill Spa.

NEWTON GREEN GOLF CLUB

Upon registering annually with the club and booking at the professional's shop before play, residents of Newton may enjoy nine holes free golf on the village green. For a small sum, all 18 holes can be played. All guests must pay a green fee.

Many villagers enjoy full club membership and join for £300 in their first year, discounted from £665.

IT'S ALL SO LONG AGO

Extracts from Parish Magazines from the past

ALAN VINCE

NEWTON GREEN 100 YEARS AGO: Mr William White in his history of Suffolk.

The occupants of the farms in the parish at that time (1855) were: at Newton Hall, Hugh Green, and at Valley Farm his son, Hugh Green jnr., Rogers Farm was held by Walter Hart and Newton Leys by Walter Lord. George Sturgeon farmed Bottlers, and Thomas Layzell, Tiffin, Siam Hall, whilst Joshua Warren farmed Brooks Farm, what is now known as Brook House. The church is described as an ancient fabric with a tower and three bells.

60 YEARS AGO – Newton Newsleaf produced by Rev A G Ensor.

OCTOBER 1956: We have, unfortunately, to see to the repair of the church – the building. There is a lot to be done and progress may be rather slow, but if everyone does their bit we shall in time restore and preserve our church for future generations. It has been suggested that many people should be asked to make something during the winter which can be sold at a sale in the spring. Such things as socks, children's toys and clothes, door mats and hearth rugs are possibilities. I am also hoping that Christmas cards will be on sale in November. The picture on these cards has been specially drawn by Mr T Watson, so they will be unusual local interest.

40 YEARS AGO - Newton Newsletter edited by Frank Rowland

OCTOBER 1976: The big news this month is the imminent departure of our Rector, Brian Grundy. I will be very sorry to see him go. I have always found him to be a very kindly, gently humorous, and a very sincere man, very easy to get on with. He was the right man at the right time so far as Newton was concerned and he has had six fraught years, one way and another. I never heard Brian preach at us – he would stand up there and gently natter away to us getting over his message far more effectively than by shouting and waving his arms about. Thank you Brian for six pleasant, hardworking and effective years, and the very best of luck and good health in the future.

25 YEARS AGO – Newton Newsletter edited by Kathy Searles

OCTOBER 1991: POND UPDATE: I hope you have all taken advantage of the lovely weather to walk around the Green and appreciate the two ponds which were cleared last autumn. The Head pond has retained its water very well and has been a joy to look at all summer. We've had newts on both the Head pond and Potash pond and beetles, dragonflies, skimmers and butterflies in abundance. The plant life has re-established itself and the show of water crowfoot on the Head pond in June was beautiful. All being well, the pond next to Plough Cottage will be tackled this autumn, and then we have to establish a maintenance plan. **Janet Weavers.**

NEWTON CHRISTMAS CARD COMPETITION?

At a fairly recent Parish Council Coffee Morning, I had a conversation with Bernie Pratt (Nicholson's Court) about the colour picture on the front of the first edition. This then led onto a conversation about village Christmas cards.

So, how about a village Christmas card then?

The newsletter can fund the cards, which can then be sold to raise funds for the newsletter.

Get your cameras out! Favourite spots around the village.
Snow not required!

Deadline 21st October 2016.

If you would like to help support the village newsletter, the production of which relies on fund raising, any cash donations are very welcome as are cheques, which should be made payable to 'The Village Newsletter'.

FIRESIDE CLUB

26th August:

We visited Harwich. We arrived at the Redoubt Fort and were greeted by Bernie Sadler our guide who told us he had a surprise for us. We were surprised by the Harwich Town Crier who welcomed us in traditional fashion, Oyez, Oyez etc. The Redoubt was built in 1808 as a large circular fort to protect the harbour from a Napoleonic invasion. (which never happened) Originally it was armed with ten guns surrounded by a moat.

The photographs show the Fireside club with the Town Crier and the shadows of the fireside club members thrown down into the centre of the fort as they stood on the walk way around the walls.

We enjoyed a very good lunch at The Samuel Pepys restaurant in Harwich. After lunch we went to the sea front at Dovercourt and walked along the promenade. I looked for the Beach Hut of the year and took a picture of the inside, a family was enjoying a birthday party, very jolly.

30th August:

We enjoyed a Buffet Lunch, there were only 13 of us which was not unlucky as we all enjoyed the food and the company.

13th September:

It was not so lucky as there were only five of us to play board games. Members were either on holiday or were unwell. The Faithful Five enjoyed a good game of scrabble and very good Birthday cake brought by Maureen.

27th September:

Members are asked 'What are you reading?' and asked to recommend a book. There will be more Birthday cake!

30th September:

We are having an outing to Marks Hall. I have reserved two buggies so we can ride around these extensive gardens in comfort and see as much as possible. There is a small gift shop and a plant centre

11th October:

We are being treated to lunch in the village hall, so keep the date free and I hope to see all our members.

JT'S JOTTINGS

One of the problems of carting loose hay is that you don't know the weight of what you've got. There must be a better way of bringing it back to the farm.

One of my pals suggested I pay a visit to Bracey's of Benington and browse among their second hand machinery graveyards. There should be something to suit my purpose and pocket. I had in mind a pick up bailer.

I duly set off to Bracey's and was met by one of the staff and we toured the graveyard. 'A pickup bailer? Did I want one with its own engine or one for the tractor *power take off?'

Sunnyside Farm had recently bought a new David Brown 950 diesel tractor with livedrive, so a power take off baler would be ideal. 'Perfect' said my guide. 'Here is an I.H.C B45 bailer we've taken in part exchange for a B46. I know the B45 looks a bit rough but if you like, we will check it over, re paint it and put new transfers on it and we will hire it to you at a peppercorn rate.' The deal seemed very much in my favour, so I said 'You won't get very fat out of this deal', but he said 'I think after you've used it a few times, you will buy it!' How right he was. I did!

Whilst I was at Bracey's I bought a Vicon-Lely hay turner and side delivery rake. These two items saved me a lot of hard work.

I bailed some good hay and at harvest time, the bailer was working full pelt bailing straw after the combines. Some for cash and some on a fifty fifty basis as Sunnyside used the straw and was glad of it.

I would like to finish with a plea from Valeeta to our worthy editor that while she may once have resembled that broken down nag at the bottom of JT's blog, Valeeta is now well nourished, fit and winning in the show ring! Valeeta would like a better profile picture. Over to you Sue!
