17/022 Minutes of meeting held on the 11th January 2017

The minutes of the meeting were approved by the councillors and signed by the Chairman as a correct record.

17/023 Public Forum

James Finch gave councillors an update on his previously circulated report. He also updated councillors on the re-consultation for the proposed speed reductions on the A134 and the approval for the white line painting for Valley Road. James indicated that more Newton residents should have access to Faster Broadband, but as this was disputed by the councillors, James asked for contact number of dwellings in the village that were still not able to connect to the Faster Broadband service.

17/024 Local Housing Need Scheme

John Lefever from Hastoe updated councillors on the progress of the scheme to build 4 affordable dwellings to meet the local housing needs of Newton residents. He reported that the options agreement for the land is expected to be completed with the landowner in the next few weeks. Once the agreement is executed, Hastoe will commission architects to draw up the scheme for the agreement of NPC and residents at a public viewing to be arranged in the Village Hall in the summer. Hastoe will then review the scheme against the feedback, and if necessary, will have a second public viewing session. Following this the planning application for the scheme will be forward to Babergh. Funding for the scheme has now been secured including the recently announced Government grants for such schemes. John expects Hastoe to give NPC a further update on the scheme's progress at either the March or April meeting.

17/025 Correspondence (Appendix A)

Following a review of the Correspondence and the emails circulated since the last meeting the councillors agreed that should up to 2 councillors wish to attend the Suffolk Preservation Society meeting on Heritage Planning on the 14th March, that the Clerk to arrange ahead of the next NPC meeting.

17/026 Clerks Report (Appendix B)

Following a review of the Clerk's Report there were no further actions requested of the Clerk. Cllr Presland agreed to manage the governance of the defibrillator once it is operational at the Golf Club in the coming months.

The councillors considered the options to mark the 65th Anniversary of the Queen's ascension to the throne. They conceded that whilst they would be able to support such an event if another organisation in the village wished to arrange one, NPC was unable to allocate time to organise such an event. With other priorities including Newton's Community Led Plan, Babergh's Local Plan consultation and SCC's Minerals Plan Site Allocations consultation, NPC had to allocate councillors to these tasks.

The councillors reviewed the current system of NPC's internal controls and internal audit and resolved that they were satisfied with the processes undertaken by the council.

17/032 Risk Management Register
