

Newton Neighbourhood Plan - Today, Tomorrow, Together.

Newsletter

A huge milestone has been reached. You may have seen in the August 2020 edition of the Newton Village News Letter that the Newton Neighbourhood Plan (the Plan) is now available for you to read. Hearing villagers' views is an important next step and the Steering Group would love to know your thoughts.

Before outlining the formal statutory consultation process

the Steering Group would like to thank everyone in the village for their contribution. So much information has been gathered from villagers and we have tried to capture accurately and fully your views and hopes for the future development of the village.

When you read the Plan and supporting documents if you spot something that

isn't quite right please tell us.

Your comments are important so any appropriate changes can be considered.

Here's how to tell us what you think
