

## Newton Neighbourhood Plan

# Newsletter

## Newton in Colour

We are delighted to bring you this edition of the newsletter with its focus on the environment.

## Over To You

We developed our survey, trialed it and now we are ready to deliver it to every household in the village.

They will be distributed in unsealed envelopes during the week of 27th of August for

collection from 10th September.

Labels on the front of the envelopes will tell you when your survey will be collected.

If you prefer you can leave completed questionnaire at the

Golf Club, Village Hall, Saracens Head or “Redwoods” in Church Road where post boxes will be provided.

**Further Information** can be found at: <https://www.gov.uk/guidance/neighbourhood-planning--2>

## Monthly Focus

### This month - Environment

We want to ensure Newton's unique and special environment is identified and recorded in our Neighbourhood Plan.

The national strategy strongly encourages local participation in gathering environmental information. Any villagers with an interest or local knowledge of wildlife and flora please get in touch.

In addition Kate Waterworth is organising a fun session for parents and children to explore and document our diverse village environment (for detail see next page)

## **NEWTON GREEN FAMILY WILDLIFE AND FLORA EVENING**

**WEDNESDAY 26th SEPTEMBER**  
**5pm-7.30pm**  
**VILLAGE HALL, NEWTON GREEN**

**Guest speaker**  
**Joanne Atkins: Wildlife Learning Officer,**  
**Suffolk Wildlife Trust**

### **To the Children and Parents of Newton Green**

As part of our village Neighbourhood Plan(NNP) come and join in to learn about the wildlife and Flora around Newton Green.

There will be a short talk by Joanne Atkins from the SWT. Joanne will then take us for a walk around the village to help identify local wildlife and flora.

You can draw, record or photograph what you see so we can build up a picture of the biodiversity around our village. We can then document your findings in our neighbourhood plan to show the important part that wildlife and flora play in everyday village life.

Paper and colouring pencils will be provided, but if you wish to take photos please bring your own camera.

Light refreshments will be available and please wear suitable walking shoes/outdoor clothing. Children must be accompanied by a parent/guardian.

**Contact Kate Waterworth on 01787 372670 for more details.**

# Newsletter

### Road Shows

Please keep an eye out for information on a series of road shows planned for the Autumn.

We will be sharing our work so far and collecting further information that villagers feel relevant to our plans.

### Keeping in Touch

You can email the committee, please see the email address opposite on this page, we aim to reply within fourteen days of receiving your enquiry.

### Meet the Committee

The following villagers volunteered to help in the construction of our Neighbourhood Plan.

You can email members of the committee at: [secretarynnp@gmail.com](mailto:secretarynnp@gmail.com)

Jonathan Acton  
Kathryn Burdis  
Sue Crawte  
Louise Evers  
Graham Parry  
Paul Presland (Vice Chair)  
Rita Schwenk  
Melanie Yolland

Anthony Burdis  
Barry Coleman (Chair)  
Dave Crimmin  
John Hills  
Teresa Parry (Secretary)  
Sue Presland  
Laura Smith  
Kate Waterworth

### Come and Join us

The committee would be delighted if you would like to come along to one of our meetings.

The next will take place in the village hall at 7:30 on the 25th September.
