

NEWTON PARISH COUNCIL

11th March 2020

CLERK'S REPORT (Agenda Item 6)

1. One of the **doors on the Notice Board outside the Village Hall** fell off completely when I was attempting to put up the Government's poster about hygiene. The Chairman is aware of this and the repair will be carried out by a local workman. At the same time, the Notice Board in Church Lane will be inspected as it is letting in damp owing to the wood swelling.
2. Alston Close – **Opening ceremony for a friendly bench installed by Orwell.** An invitation has been forwarded to me from Diane Piperno of Orwell Housing. I understand that they want someone from the Council to cut the ribbon for the inauguration of the bench. It will be “a quick thing with hot chocolate and cookies” - taking place on either Monday, Wednesday or Friday of the week commencing 30th March 2020 at 11.00 am.
3. **Parish Council Police Engagement Meeting – Monday, 23rd March 2020** at Glemsford Village Hall (7.00 pm start).
Please would you let me know at the Council Meeting if you wish to attend this event. We have received an invitation for 2 Councillors to attend.

I will give an oral report on any other matters which arise if appropriate.

Theresa Devine
Locum Clerk
