

NEWTON PARISH COUNCIL
12th FEBRUARY 2020

CLERK'S REPORT (Agenda Item 5)

1. 14th Century Church Sign

I emailed Cllr Finch about the sign and we are waiting information from the Highways Department.

2. Bank Deposit Book

The Bank Deposit Book for NPC was not with the documents handed over from the previous Clerk and a new book will need to be requested by the Council from the Bank.

3. Accounts

The Accounting Statement for the February meeting is based on the most recent statement from Barclays dated 31.12.19 and the report submitted by the Clerk for the October meeting.

4. Pay Scales

The most recent pay scales for Clerks provided by NALC appear in a document dated 7th December 2018 and a copy of this document has been included in the Agenda pack with reference to the Part Two item on the Agenda. Please note, a meeting to discuss pay scales to take into account inflation etc was held on 5th February 2020 but no official document showing agreements is yet available.

Should any other matters arise after the Agenda is sent I will report on them orally at the Meeting.
