As the January Church report had to be in before our last December service which was on the 24th December, it is now in this February edition.

24th December: Our Crib Service took place in the beautifully decorated Chancel. A marvellous tree given and delivered by Gordon Kennett was decorated and on the window sills the candle light and greenery gave a lovely back drop to the service. Revd. Judith welcomed an absolutely full Chancel with a really good number of children attending.

The service started with William Lowe singing the solo of ' Once in Royal David's City ' from the back of the Chancel. After welcoming everyone, Revd. Judith read the simple Christmas story with children taking part in illustrating it by answering questions or putting up pictures or little figures. There was no shortage of volunteers as Revd. Judith has the gift of making even the shyest child feel comfortable and then the children gathered around the Crib. Carols were sung and Revd. Judith gave a Blessing. As everyone departed they were offered a traditional homemade circular biscuit looped with a red ribbon to hang on their tree. Thank you to Nancy Roser for playing the organ - --- helping us to sing the carols.

Thank you to all who helped to prepare, take part in the service and later clear up ready for the next service. Without the kind help and support of a few loyal people the services throughout the year would not be as successful. We would welcome anyone for this year who feel that they could offer help in any way, no matter how small, either in the services, with being on the flower arranging rota or in our annual cleaning.

NEWTON NEIGHBOURHOOD PLAN

On Saturday 20th January, 32 villagers responded to the invitation to meet to discuss the benefits and challenges of writing a Newton Neighbourhood Plan. A plan designed to help to shape the future of our village, particularly the types and position of new housing and new amenities.

Presentations were made by Councillors Presland and Parker and other Councillors facilitated group discussions with parishioners. A range of views were recorded that will be published on our village website.

<http://newton.onesuffolk.net/home/neighbourhood-plan/>

At the end of the meeting, 15 parishioners volunteered to join the core working group who will have the responsibility of writing the plan. It is anticipated that it will take at least two years to produce because of the complexity of the document. During that time, villagers will be kept abreast of how the plan is developing and they will be offered chances to comment on its content as each section is written.

NEWTON PARISH COUNCIL MEETING

Wednesday 7th February - 7:30 pm
At the Village Hall

FIRESIDE CLUB

Members were sad to hear that Ivan had passed away. He was a valuable member always willing to put out the tables and chairs and clear them away. We will remember the many lunches he cooked for us over the years. Members will attend his funeral on January 25th and exchanged many happy memories. We are all thinking of Jacky at this sad time and send our condolences.

Fireside Committee Meeting report

At the committee meeting on January 9th it was decided to no longer have the small raffle at every meeting as we are increasing the meeting fee to £2.00 per member. Our finances are the lowest they have been for some years and if we wish to continue with the outings, fund raising is a priority. To hire a mini bus for a whole day outing costs £ 120.00 and half a day £60.00. The transport for the outings is partially subsidised by the club.

2018 THIS IS FIRESIDE CLUB'S 60TH YEAR!

We are hoping to arrange a party to celebrate our 60 years later on, in the year in the better weather.

16th January: Our first meeting of the year 10 members attended. We had a chat, an involved quiz and chocolate cake all in front of a lovely fire.

30th January: Joyce will lead us through a course of meditation which will be very restful in front of another lovely fire.

23rd February: Maureen is organising a lunch at Groton Fox and Hounds on Friday February 23rd at 12.30. If you want to come along, please let her know. Her telephone number is 371645. Food to be ordered and paid for on the day.

27th February: We will discuss the coffee morning. We have members that are willing to help, but we need the support of the villagers to help raise money for our funds. We will need raffle prizes, Bric a Brac table donations, cakes and produce and any other money raising ideas!

3rd March: We have our much-needed fund raising coffee morning in the Village Hall starting at 10.00 am.

IT'S ALL SO LONG AGO

Extracts from Parish Magazines from the past
Compiled by Alan Vince – Village Historian

**60 YEARS AGO – Newton Newsleaf produced by Rev A G Ensor.
FEBRUARY 1958:**

The Fireside Club: The House to House collection raised £2-13s. Half of this is returned directly to the Club. The Club is flourishing and there is plenty of room for more members. It should be understood that all benefits of the Welfare Association are available to the 'Over Sixties' even if they are not members of the local club. The Club itself is in fact one of the benefits. Anyone needing advice or help of any kind should get in touch with a member of the Committee. The Cornard Club has invited some of our members to their birthday party on March 25th. A.G.E.

**40 YEARS AGO - Newton Newsletter edited by Frank Rowland
FEBRUARY 1978:**

Editor's Comments: Most of you will know that Frank Rowland, who has done such a marvellous job with our Village Newsletter since it started in its new format, has had a bad time healthwise of late. He has asked me therefore to fill this gap temporarily which I shall endeavour to do, although I lack the ability to give the editorial the delightfully breezy style which always characterises Frank's contributions.

First then, let us all wish Frank a speedy recovery to full health and many more happy years as 'Mr Newton' personified. I know how grateful we newer recruits to the Village are for the way the Rowland family have identified themselves in so many ways with all the activities and interests that make up the community life of Newton Green. For this reason, at least, I am glad to have the opportunity of saying a big 'Thank You' to Frank and Elsie for all they do, not forgetting Bob's splendid work for the Golf Club which. By keeping the Green in such good shape, helps all of us in the Village, golfers and non-golfers alike. Gaspard Willis

The W.I. Pantomime: Cathy Searles' cleverly written Pantomime. 'Rapunzel' was enthusiastically received at the completely filled Village Hall again this year, both on the Saturday afternoon for the Village and the children, repeated the following Tuesday evening, mainly for neighbouring W. I.'s. Harry Searles usually manages to surprise us with his 'effects', but this year he surpassed himself when, with the assistance of Anne Bremner and Keith Bell, he gave us rising and setting suns and moons, growing 'Blue Roses', another lot that abruptly wilted and died at the witch's demand, water that magically changed into 'petrol' and many more tricks, all on the tiny stage with no

mechanism beyond cords and pulleys – a remarkable achievement, that well deserved the spontaneous applause it frequently received.
F.R.

25 YEARS AGO – Newton Newsletter edited by Kathy Searles

FEBRUARY 1993:

Panto with a Difference: This year Newton's writer and producer Kathleen Searles, has broken all tradition by putting on as her 20th performance one that is not one of the standard pantomime stories. The play opened with a brilliant colourful scene of the Market Place with a canal in front and a splendid barge in the capable hands of the captain (Nancy Harries) and the ship's boy (Martin Schwenk), making its slow way across the stage. The Market stalls are in the charge of Madame Sesame (Norah Millyard) and Madame Bun (Joyce Burn). On the cheese stall Jean Adams is assisted by her son Paul (Andrew Crysell), and two cows Milly-Moo and Mandy-Moo (Molly Watson and Barbara Birchenough). A delightful little dance by four children, Sarah Garman, Lisa Schwenk, Amy and Melanie Warner, escorted by Mark Warner, gets the show off to a good start. The story revolves round the Royal Family; the King (Jean Russell) and Queen (Jean Green) do not know what to do with their daughter (Angela Crysell) who will never smile despite the efforts of her ladies-in –waiting (Michelle and Kirsty Payne). However, thanks to the magic of the Golden Goose (Wendy Turner) the problem is solved. A handsome young man, Simon, (Lara Murphy) is an eager suitor but has first to escape from his Aunts, Lucy and Lettie (Margaret Chaplin and Maxine Canvin). The pantomime is set amongst the tulips, windmills and canals of Holland. These together with the magic influence of the Tulip Fairy (Joan Bell) and the Golden Goose bring the story to the proverbial happy end. Great credit is due to Harry Searles and John Turner for the splendid stage effects and to Betty Britten for the piano accompaniment.
Gaspard Willis.
