COFFEE MORNINGS

It would be fantastic to see even more people at the Coffee Mornings. There must be more people in the village who could spare half an hour, come and meet other members of the community, share stories, have a natter over a cup of coffee and a piece of cake. You are always assured of a very warm welcome!

SATURDAY, 9th JUNE – ALL SAINTS CHURCH GIFT DAY COFFEE MORNING

All start at 10:00 and take place in the Village Hall.

THANKS

I would like to thank everybody that sent me cards flowers and their prayers. It is lovely to live in a village that cares. Love from Joan Linney

MORE THANKS

I would like to thank everyone involved in the tidying up work around the Saracens Head pond which took place on Saturday 14th April. Over 25 people, equipped with a variety of tools and bags of energy have helped make the view across the Green from the Saracens a real asset and we have been rewarded with some sunshine. Let's hope it continues! It was great to meet new people and we hope to see you at future events.

Also a big thank you to Bev from the Saracens for providing drinks and refreshments during the morning, it really was most appreciated.

Another tidy up will be planned for the later in the year, a date for which is yet to be confirmed.

Many thanks again

Philip Taylor
Chairman of Newton Green Trust.

PLEASE WELCOME

Leah and Jay Mack and Leach's mother Karen Oxlade, who have recently moved into Corner Cottage.

HARRY BUCKLEDEE

I think I should start by saying how lucky we are to have had Harry living in Newton. It has been a great pleasure to have known him. Ever since his arrival here sometime in the 60's, Harry has been involved in and contributed to just about every organisation in the village. Above all, I think you could always rely on Harry to be very fair in all his negotiations and the decisions he was involved in over the years. He was a good speaker and was never afraid to voice his opinion. His views were almost always very sensible and usually in line with what people wanted. He was never phased or intimidated by confrontation; his quiet sensible approach usually came good.

Harry achieved much in the Village and the results of his efforts are there for all to see. He designed many gardens notably at The Old Rectory and at The Deans; he designed and oversaw the creation of the Jubilee Gardens and carried out the maintenance of it for many years, cutting the grass and hedges and managing the various shrubs and trees, all of which he had originally selected. For many years he maintained the gardens around the War Memorial and the Village Sign. A large number of the trees on the green were planted and maintained by Harry and I think he even planted a couple of trees which were presented to him in recognition of his many years of service to the Parish Council and Newton Green Trust. Those trees will be there for many years with their plaques to remind us of all he did for the village. Perhaps the most fitting tribute to him is the wonderful show of daffodils on the green this year. Harry planted those and they will appear every year as a tribute to him.

Harry was brought up in Lindsey but it was our gain when he came to live in Newton. He had a difficult time during the second world war; many of you will have read his book

entitled 'For you the War is over'. For him it was far from over. Life as a POW would not have been easy but perhaps the most difficult time for him was the Long March to Freedom which was referred to in his book and which was made into a TV programme in which Harry appeared. He spoke of his experiences at that time, and he looked so smart and presentable on the TV wearing his medals.

Harry was a great supporter of the British Legion. For years the money raised from his sale of poppies was the best in the area, and he always ensured there was a poppy wreath on the War Memorial when he made his speech on Remembrance Sunday.

Harry coped on his own for several years before going into St Joseph's Care Home about a year ago. He was happy there and enjoyed the occasions when Rod, Barry, Arthur and I went there to have lunch with him.

Whilst there he also published his second book about his early life in Lindsey. Happy memories, and I am proud to have been among his friends. Newton was lucky to have him and should also be very proud of him.

FIRESIDE CLUB

April 10th

Joyce introduced us to Louise who told us how she became interested in essential oils. She had travelled all over the world and told us about the connections she found in many countries and the different aspects of these oils in various countries. We sampled some (not tasting) but rubbing them into our skin. Many members asked her questions about the health-giving properties. We finished with tea and cake.

April 13th

We had an outing to Newmarket to The National Heritage Centre for Horse Racing and Sporting Art. The weather was very cold and the service in the restaurant was slow even though I had sent pre orders. Apart from those set backs we had an interesting demonstration and explanation on how race horses are retrained to be used by private owners. There was an exhibition of paintings by Sir Alfred Munnings. Hands on and fun activities were good and Bob had a go on the racing simulator, we were very impressed, he looked the part. I was interested in the anatomy of a horse and learnt that a horse's hoof is its big toe nail and they can only breath through their noses.

May 8th we are having Fish and Chips 12.30 for 1.00 pm

May 11th we are going by our own transport to Clare Country Park where we will have tea at Platform One at 3.00pm

May 22nd we will be chancing our hand at card games

June 1st we have an outing to Buxhall granary Crafts leaving the village hall car park at 1.15 pm hope the weather is fine.

25th March:

There was no service here as it was at St Mary the Virgin, Edwardstone with the Five Villages Service for the special Palm Sunday Service. The procession started at the Temple Bar with Revd. Judith and Charlie, the donkey leading the way with many of the congregation carrying palms and singing. He walked into and around inside the church without any mishap for the third year running! At the end of the service, Revd. Judith announced that she was taking retirement in July, earlier than planned. It will be a great loss to each of the five churches in Benefice and the villages generally. Rufus, Judith's husband has also been such a great support to the Benefice -- working in the background. We wish Judith and Rufus good health and happiness for the future in their new life in Norfolk.

1st April:

Easter Sunday was a service of Holy Communion celebrated by Revd. Judith robed in white embroidered with gold thread. Due to each church having their own Easter Service, the number in the congregation was sparse although we were delighted to welcome a young boy with his mother and grandparents. It was sad for Revd. Judith to announce the death of Harry Buckledee of Newton in the early hours of this special day in the church. He was an amazing man, a War veteran who was involved in many things in our village and further afield. He will be missed by many people. We had refreshments and an Easter Egg Hunt. Thank you to Nancy for playing the organ and to all who helped to decorate the church, provide Easter eggs and cakes for our refreshments and help in any other way.

Newton's Art and Craft Exhibition

April 14th saw the village hall ready for the exhibition of work by members of Newton Art and Craft club. Fourteen members of the club produced 130 exhibits ranging from paintings in all media to roses made from air dried clay. Wood carving, deco patch, tapestry, mixed media collage and cross stitch added to the variety of work.

Delicious refreshments were available.

Thank you to all the people who came to view and who very much appreciated the amazing standard of work and contributed towards the £467 raised for the St Nicholas Hospice.

Art and Craft Club meets each Friday pm in the village hall.

Anne Gardner

Newton Arts and Craft Club.

What a splendid show put on by the club on Saturday, 14th April. The staging of the exhibits and the full use of the village hall was brilliant and a lot of hard work and organisation was

truly evident. Well done club members, will your talents know no bounds and I am sure the hospice will enjoy your success. Long may the club keep going. **Congratulations! JT**

IT'S ALL SO LONG AGO

Extracts from Parish Magazines from the past

Compiled by Alan Vince – Village Historian

60 YEARS AGO – Newton Newsleaf produced by Rev A G Ensor.

SUMMER 1958:

Dear Friends: I know we all sympathize with those whose job it is to gather in the hay this year. It has certainly been good growing weather but unfortunately this applies to weeds as well as flowers and vegetables. May the remainder of the season be warm, with plenty of sunshine. I feel sure that is what the harvesters and holidaymakers most desire.

In spite of the rain that part of the Fete we had indoors was a great success and the total raised was £87. The side-shows and the outdoor part of the Fete we hope to have on August 2nd in Mrs Warner's garden if the weather allows us.

A.G. Ensor

The Parish Church: Services as usual. There was a Whit Monday Rally of members of the Guild of St Edmund at Bury St Edmunds & most of the Newton Green members were able to be present. I should like to thank all those who helped at the Fete, both those who had the by no means easy task of organising and also, those who came to buy & give their support on what was a very wet day. We shall be sorry to say farewell to the King family who are going to live at Great Cornard, but we hope it will be au revoir and not goodbye. Church services have been quite well attended throughout the season.

40 YEARS AGO - Newton Newsletter edited by Frank Rowland

MAY 1978:

Recreation Field: The most important news item must be the Tribunal on the Compulsory Purchase Order on the Recreation Field. One thing clearly emerged from this Tribunal business, that is the tremendous loyalty and pride all of Newton feels in its Village and all that appertains to it. The turnout at the Hall and the enthusiasm was tremendous – well done all of you!

F.R.

The Village Hall was completely full for this Tribunal hearing, and tribute must be paid to the very fine points put forward by all our representatives and the clear and lucid manner in which they made these points felt. In order of speakers they were: Mr R.C. Oliver, Mr John Webb, Mr John Beevis, Mrs Veronica Ashford, Mrs Barbara Carter, Mrs Norah Millyard, Mr Charles Parkinson, Wing Comm. Fitz-Gerald Lombard and Mr John Taylor. The Tribunal could not have failed to be impressed by their honesty and sincerity, and whatever the outcome on June 19th, it is pleasant to report that Newton emerged from the enquiry with enthusiasm and dignity.

At Rest: Mrs Joan Bartlett was buried in Newton Churchyard on 3rd April. We extend our sincere sympathy to Mr Bartlett and his daughters at this time. Joan died at the early age of 41 after a long illness very bravely borne. She died peacefully in hospital on March 25th. R.I.P. Ernie wishes to give sincere thanks for all the marvellous help and support which he has received from so many people.

25 YEARS AGO – Newton Newsletter edited by Kathy Searles

MAY 1993:

Annual Parish Meeting: In his report on the work of the Parish Council, the chairman, John Taylor, referred to the deaths of three long-established residents of the village, Mr Arthur Davey, Mr Roland Oliver and Mr Harry Vince, all of whom had played a distinctive part in the life of the village. The ponds on the Green had had filled with the recent rains and Janet Weavers was thanked for her sterling work in organising the clearance and the financing of the work. It was hoped that the few remaining ponds would be cleared as soon as possible. Mr Taylor thanked Harry Buckledee for his maintenance of the attractive Jubilee Gardens; Lionel Humm for his work in keeping tidy and appealing the garden around the War Memorial which had recently been refurbished; Judy Donnelly for her organisation of the Neighbourhood Watch scheme; Kathy Searles for producing the monthly newsletter, and Harry Buckledee for planting, on his own, over 500 trees at the corner of the playing field to form a future thicket.

Gardening in May: Try a scented border near the house or patio. A mixture of plants like Nicotiana, Mignonette, Night-scented Stock, Evening Primrose, all have delightful scents, especially on a warm evening. Other plants that can be used are Sweet Rocket, Sweet Sultan and Sweet Peas. Shrubby plants like Rosemary and Lavender help to give good results. Runner Beans and French Beans can now be sown outside. By the time they come through the danger of frost should be fairly remote. Indoor raised plants should be hardened off as much as possible and planting out delayed until the end of the month. **Harry Buckledee**
