YOUR NEWS

Dear Editor

I wanted to let you know that there are some decent people around who believe honesty to be the best policy.

I recently noticed that the pillar supporting our front driveway gate had been damaged and that it had become difficult to open and close. It had happened in the last week or so, but I could not be certain when and assumed it was the result of someone using our driveway to turn around. I put it down to bad luck and added it to the "To Do List".

This afternoon, out of the blue, I answered the door to Pete Irving (of Pete Irving Tree Services Ltd - Leavenheath) who had recently done some work for us. He noticed when passing, that the pillar had been damaged. He remembered thinking that maybe he had knocked it when reversing out the driveway but at the time, the damage was not evident. He thought no more until he saw it today when he called.

Anyway, to cut a long story short, Mr Irving offered his apologies for the damage caused and is arranging for a builder to come and rebuild the pillar.

In my experience, this type of thing does not happen often - hence me wanting to share the storyby the way, Mr Irving did a great job cutting down the tree at a very good price and I have no reservations in recommending him and his firm!

Regards

Graham Parry

CHELSWORTH CHRISTMAS FAIR

DATE - Saturday 1st December.

PLACE - All Saints Church Chelsworth.

TIME 11am - 4pm

ENTRY £3 for Adults - free for children and Chelsworth residents.

PARKING - plenty (free) a short walk from the Church.

A traditional Christmas Fair in a beautiful medieval church. There will be more than 20 stalls selling gifts, crafts and foodstuffs as well as second hand books and bric-a-brac. Also a bottle tombola. Seasonal refreshments will be available and there will be a raffle with lovely, luxury Christmas hampers as prizes. Musical entertainment will be provided by the Hadleigh Community Choir. Chelsworth is a pretty village, alongside the river Brett, on the B1115, between Bildeston and Monks Eleigh. For those wanting a more substantial lunch, our very welcoming village pub, The Peacock Inn, is near to the Church, so why not kick-off your festive season with a visit to Chelsworth - we will be very pleased to see you.

ARTHUR ADAMS

Arthur died aged 93 on 1st September and we said goodbye to him at Bury St Edmunds crematorium on Wednesday 3rd October.

Arthur was born in London in 1925, and spent his childhood years getting up to the usual boyish mischief. He was only 14 when World War II broke out, but even so he helped the firewatchers by running messages and did some fire watching.

Arthur's lifelong interest was in electricity. He joined the Fleet Air Arm in 1943 and specialised in aircraft electrics. In the 1950's he set up his own business, met Jean and they were married in 1954, living firstly in Leytonstone and then moving to Billericay in 1956. Arthur's business was going well and Jean was working in sales in the local electricity shop – as she later did in Sudbury. They moved to Newton Green in 1977 and soon became involved in village life, making many friends. They attended the church and enjoyed many social events in the village hall, particularly the pantomimes where Arthur helped backstage while Jean took part in the productions. Arthur's work was much in demand, but he found time to completely rewire the village hall, entirely voluntarily; he absolutely refused to accept any payment. Recently the wiring in the village hall had to be inspected to comply with regulations, and the contractor commented that it was one of the best installations he had ever seen in a public building. Arthur was pleased (but not surprised) when I told him this!

In recent years Arthur joined us in the 'Last of the Summer Wine' lunch gathering at the Saracen's Head on Thursdays. He very much enjoyed these occasions, as he did when we went to visit and have lunch with Harry Buckledee at St Joseph's in Sudbury.

Arthur was a very pleasant person to be with, and always had a smile on his face. He will be fondly remembered by his friends in the village.

Churchwarden: VACANCY

Flowers:

Mrs Carole Langley

Cleaning:

Mrs Fiona Garman

23rd September: Our Harvest Festival Service was conducted by Revd. Gerald Drew. It is always a pleasure to welcome him and his wife Jane to All Saints'. The church was really wonderfully and imaginatively decorated with vegetables, fruits and flowers. Revd. Drew took the theme for his sermon -- Fruits and Thorns. He had a bowl of beautiful blackberries in one hand and with a sprig of bramble covered in thorns in his other hand. This very aptly illustrated life and how it is for all of us and how we overcome things. As part of the service there was the presentation of the Symbols of the Harvest including a huge Bread Plait baked by a local bakery. We really appreciated all the work that went into the preparation of the church and the service. Thank you to Nancy Roser for playing for us as we sang the traditional Harvest hymns.

Following the service we went to the Village Hall which looked great with Harvest touches on the tables. We were joined by people from the village and Revd. Drew said a very appropriate Harvest blessing at the start and we all enjoyed a lovely meal prepared by members of our church. A raffle was held with the usual excitement of winning. While people were drinking teas and coffees, we took pieces of the bread Plait for people to have and this symbolised the breaking of bread at the church Communion.

We are so fortunate to have a willing and hardworking team (if small in number) who made this event such a success. Thank you to everyone who helped in any way from start to finish.

A HUGE ' Thank You ' to all who came despite the very heavy rain but they did leave with happy satisfied smiles and with a promise to come next year.

It is easy to prepare events but the clearing away is sometimes forgotten. Thank You to a kind couple who helped to remove the aftermath of the Harvest decorations from church -- much appreciated.

BIER

June 1921

A fund has been running for some time to provide the parish with a wheeled hearse (bier). An order was placed with a local firm but owing to war restrictions it has only recently been possible to execute this work.

The hearse is now available for use at a charge of 5/- (25pence now) on each occasion, to parishioners, deducting from this amount any donation that has already been made to the fund, on the first occasion of its use by the original subscriber.

The cost of the hearse (£31.00) has been placed on the Parish Fund account, and towards this sum £5-16-5 has been received, the amount collected when the purchase of the hearse was first suggested. Further subscriptions are now invited.

NEWTON NEIGHBOURHOOD PLAN

The committee have asked if I would write a brief history of Newton as part of the Neighbourhood Plan, with particular reference to the historic buildings in the village, and to any detrimental effect future development might have on them.

The information I have on Newton's listed buildings is limited to the very basic information that was recorded at the time of listing. It would be more satisfactory to have a fuller picture of these important buildings, and many current owners may have researched their history. If you have this information and are prepared to share it for the benefit of the village could you kindly e-mail it to me at alanvince@sky.com, or drop it in to me at Barn Cottage, Church Road.

Many Thanks,

Alan Vince 01787 373963

FIRESIDE CLUB

Thursday Sept 27th

The Fireside Club had an outing to Bawdsey Radar Museum. It was a beautiful sunny day, we stopped at Wyevalles, Woodbridge for coffee then went on to the Ramsholt Arms for lunch. It was beautiful by the River Deben. Then onto the Radar Museum where we viewed the new interactive exhibition which was opened in 2017. Very interesting and easy to understand. In 1937 Bawdsey became the world's first operational radar station. It was in good use by 1940 for the Battle of Britain. In 1954 RAF Cold War site became operational. In 1991 it was officially closed.

It was the birthplace of operational radar and many people believe that the Battle of Britain could not have been won without it.

Photo shows Bob demonstrating radar to Pat.

We then went on to Bawdsey Quay and looked across the shimmering River Deben to Old Felixstowe where we had been the month before.

Photo shows Bawdsey Quay

Tuesday 19th of October

We went to Spencer's at Wickham St. Paul's for a cream tea and a look around the fruit and play area.

Photos show Bob testing the slide and some members deciding who would go next.

FIRESIDE CLUB

Future activities:

Nov 6th - A quiz and Barry Coleman is visiting to answer questions on the Parish Plan.

Nov 20th - Arm chair exercises with Sue, please bring your stretch bands.

Nov 30th - An outing to Poplar Nursery pick up 10.00 Village Hall Car Park

Dec 4th - Musical entertainment with Christmas theme, mince pies etc

IT'S ALL SO LONG AGO

Extracts from Parish Magazines from the past Compiled by Alan Vince – Village Historian

**60 YEARS AGO – Newton Newsleaf produced by Rev A G Ensor.
NOVEMBER 1958:**

Church Flowers and care of Church: Most of the work connected with the care of the Church including the obtaining and arranging of flowers falls on one or two people. They would greatly appreciate some help. Perhaps this is a job you would like to do. Would someone also volunteer to help with the younger children. This can be a full-time job in itself for a keen person who is fond of children.

Baptisms: On the 17th of August Lesley Jane, daughter of Mr. and Mrs. W. Hills and Susan June, daughter of Mr. and Mrs. E.J Joslin.

The Fireside Club: The outing to Clacton was enjoyed by all. The weather in the morning was very unfavourable and the rain fell heavily, At Clacton it was really warm & the sun shone. Many thanks to Mrs Bean & others who helped to make the arrangements.

**40 YEARS AGO - Newton Newsletter edited by Frank Rowland
NOVEMBER 1978:**

Accident: Once again a tragedy has struck our small community, with the loss of Mrs Cundy in a tragic road accident. This has, once again, brought up the old demands for some sort of safety precaution through the village, and the W.I, with the able assistance of Mr and Mrs Rufus, plus many willing helpers, are organising a petition. After over 20 years of continuous pressure on the Authorities, with no result, is there any chance of some action at last?

Mrs. Romola Cundy: I think everyone in the village was shocked by the death of Mrs Cundy, even if many newcomers hardly knew her. I remember the family coming to live in the Leys Farm many years ago when I was about 12. With her three sisters she helped her father on the farm, while Dulcie, who was not very strong, stayed with her mother. I remember them going to Church every Sunday, and I thought she worked dreadfully hard, but it was a life she loved, and, later on, when her parents left Newton, she and her sister Margaret stayed on at Goldings and kept cows. Later she married Mr Alexander Cundy, a farmer, and lived for a time at 'The Elms', and then for many years at 'The Homestead' in Cornard Tye. After her mother's death, Dulcie came to live with her. After Mr Cundy's death, she and Dulcie returned to Newton and lived in Long Gardens, where she took a great delight in her garden, and she told me many times that she loved Newton, and in a most unobtrusive way she did many little kindnesses for people, especially in illness. We shall all miss her familiar figure around the village.

Norah Millyard

The War Memorial: A very special word of appreciation for Mr Arthur Davey's tireless work on keeping our War Memorial looking spotless for the service on the 12th. Arthur himself took part in the infamous Battle of the Somme, also Vimy Ridge, Deauville Wood and other notorious places.
F.R.

**25 YEARS AGO – Newton Newsletter edited by Kathy Searles
NOVEMBER 1993:**

New Bus Service: Commencing on Wednesday 3rd November, a new bus service will operate from Sudbury to Colchester five days a week. Hedingham Omnibus Service 84 will serve all the outlying villages, including Stoke-by-Nayland, and certain ones to the General Hospital, Turner Road. Hopefully towards the end of November, a new bus, which will have a ramp for the disabled, will be in service. The cost has not yet been settled but will be about £1.25 single. There will be the usual concessionary fares.

Neighbourhood Watch: As winter approaches and nights become longer, we should all be extra vigilant, being aware that unfortunately we all become a little more vulnerable to the con men and the burglar. National statistics show that a burglary occurs every 40 seconds. One home in 20 is burgled each year. Suffolk figures show a rise of 56% in burglaries over the past three years. When was the last time you checked the garden shed? Is it locked? Are lawn mowers, bicycles and other items such as golf clubs marked? What about car watch and car security? Fact File on cars – only 55% of car drivers always lock their vehicles. One car is stolen in Britain every two minutes. A quarter of cars stolen are never recovered by their owners.

Judy Donnelly

If you would like to help support the village newsletter, the production of which relies on fund raising, any cash donations are very welcome as are cheques, which should be made payable to 'The Village Newsletter'.

Many thanks

NEWTON CLERK VACANCY

The village of Newton is scattered around a green of some 40 acres, which forms 8 holes of the Newton Green Golf Club. The total land within the Parish boundaries is approximately 2200 acres. The village is divided by the A134 which is the main road between Sudbury, 3 miles in the north, and Colchester. We hope that you find our website of interest and that your time spent scrolling through our pages is worthwhile.
