Thanks for taking the time to visit my JustGiving page.

Date of Half Marathon - Sunday, March 24th 2019

I've entered this Half Marathon as it's my first one ever, and if I'm going to do this, I might as well do it in style, running by lots of London landmarks, such as The Shard, The Tower of London, St Paul's Cathedral as well as many others.

I'm doing it for the Royal British Legion as it is a charity that provides lifelong support for the armed forces; serving men and women, veterans and their families. Also In remembrance of those that have given their lives so that we may live on.

Donating through JustGiving is simple, fast and totally secure. Your details are safe with JustGiving - they'll never sell them on or send unwanted emails. Once you donate, they'll send your money directly to the charity. So it's the most efficient way to donate - saving time and cutting costs for the charity.

Editorial:

I wonder whether you can help me with fundraising for the Royal British Legion.

I am running a half marathon and would love to meet my target of £825.

All Saints Church, Newton Green MARCH

Flowers: March No flowers during Lent

Cleaning: March Mrs Fiona Garman

27th January : Our first Service of the year was Plough Sunday . This service takes place usually at the beginning of January but as we do not have a service until the fourth Sunday of the month -- we celebrated it then. ' Better late than never ' .

We were delighted to welcome back Roy Tricker to lead our service. He is a Lay Reader working in the St. Edmundsbury and Ipswich Diocese for almost fifty years. On the Altar were horse brasses and old photos of the actual brasses on horses at a ploughing match in Anglesey. During the service we were invited to the back of the Nave where the old plough was displayed dressed in wheat , corn and barley . As the plough was Blessed with a sprig of Rosemary dipped in water we called out our responses ' God speed the Plough ' and prayed for all connected with the land and also for each of us as we plough our own furrow through 2019. We were glad to return to the warmth of the Chancel. It was very pleasing to see so many in the congregation and during refreshments they were chatting and reminiscing with Roy. For a short time during the service we had a visitor who stood inside the door way and when invited to join us said that he would only be there a short while -- which is exactly what he did. Interesting !

Thank you to Nancy Roser for playing the organ for us , the bell ringer, reader and all who helped with the refreshments and any other duty to create a warm , welcoming service in the cold month of January.

FIRESIDE CLUB

Feb 5th Pat gave us a picture quiz of photographs of dogs and we had to guess the breeds. Thankyou pat for your hard work . Theresa was the winner , some were quite obscure breeds. Alan also gave us a quiz to ponder over while we were waiting for our cup of tea . General knowledge questions all with the answers beginning with the letter F and I am very proud to say I won that quiz!

Feb 19th Joyce gave us a demonstration and explanation of Chakra crystals. We were all quite fascinated by these and their healing qualities .We were all invited to chose a stone and hold it in our hands while Joyce explained the different properties of the stones. I first chose a blue stone which I was not happy with , my second choice was a beautiful mauve egg shape with brilliant purple sparkle bits. This is said to boost my concentration and awareness , at my age I need all the help I can get.

March 19th May is filling up the -feely bags - for us all to guess the contents !
Enjoy the springtime weather while it lasts!

IT'S ALL SO LONG AGO

Extracts from Parish Magazines from the past

Compiled by Alan Vince – Village Historian

60 YEARS AGO – Newton Newsleaf produced by Rev A G Ensor.

FEBRUARY 1959:

The Village Hall: The new chairs and tables bought for the Village Hall are most attractive. The promoters of the Whist Drives have done some hard work this season. A profit of £34 was made at the big Whist Drive and £15 at the weekly whist drives before Christmas. Mr Basil Taylor has made a chart showing the progress of the fund. It ought to be possible to get the next stage of the work done this coming summer. There will be a whist drive in aid of the blind on Thursday March 5th.

The Rector: One of my duties as Rector of Newton is to visit everyone who lives within the area of the parish whether or not they happen to be Church of England. It would be a great help to me if people would let me know at what time it is most convenient for me to come and see them and also let me know of any sick people who would like me to visit them. The object of visiting is to enable the parson to get to know his people and for them to get to know him and he naturally does not want to arrive at a time which is inconvenient so that he feels he is not wanted at that time.

A.G.E.

40 YEARS AGO - Newton Newsletter edited by Frank Rowland

FEBRUARY 1979:

The Playing Field: Many residents will not be aware that the Trust purchased the Playing Field from the executors of the late Mr C.F.Smith. This means of course that Newton will always have a sports ground, and that steps can now be taken to finalise a lease with the Golf Club. As with most financial transactions of this nature, the money for the purchase had to be borrowed, but the Trustees were extremely fortunate in that two residents of Newton loaned the money interest free. The purchase price was £7000 plus legal fees. Whilst rentals from the Golf Club will contribute towards repayment of the loan it will not be sufficient to repay it in full, or provide enough revenue to enable the Trust to carry out other works, or maintain the ponds and hedges that form part of the Green. Events will be run to help raise funds; individuals can help by either donation to the Trust or by Deed of Covenant payable over a period of years. Please give generously to this essential part of life in Newton.

Ted Dunnett

The W.I. Pantomime – ‘Aladdin’: Well weren’t they tremendous! What really counts is audience reaction and there was little doubt about this. This year the whole thing just went right, up to the very nicely worked out tableau for the Finale, with the beautiful costumes, and the brilliant choice of Chinatown to bring the curtain down. A triumph for Cathy Searles and all the cast, who really threw themselves into their parts. They were: Mrs Twankey – Norah Millyard; **Aladdin – Sue Vince;** Suzy Wu – Rebecca Marshall; Mrs Twinkey – Anne Bremner; Pippa – Margaret Chaplin; Abanazer – Cicely Forrest; Genie of the Ring – Peggy Dunnett; The Queen – Molly Watson; Princess Balroubador – Jean Adams; Prince Hassan – Karen Skinner; Genie of the Lamp – Elsie Rowland. Accompanist – Betty Britten. It should be mentioned that Mrs Twinkey, Aladdin and the Genie of the Lamp were all far from well at the two performances and showed great loyalty to the show by overcoming their illnesses to appear. Now for all those who did not appear but gave as much to the success as the players: Scenery, staging and effects – Harry Searles assisted by Anne Bremner, Arthur Adams, Bob Marshall and Peter Rowland. Make-up assistant, Pat Rowland, and the wonderful tea ladies – Mesdames Parkinson, Campbell Lambert, Morris, Keatley, Somerville, Rufus, Finlay, Jill Marshall, Rosemary Green, and Daphne Cutler. Frank Rowland.

25 YEARS AGO – Newton Newsletter edited by Kathy Searles

FEBRUARY 1994:

‘Aladdin’: May I please thank everybody who helped with the W.I.’s 21st pantomime production. First to all the W.I. cast; Jean Russell, Jean Adams, Jean Green, Margaret Lazell, Nancy Harries, Maxine Canvin, and Joan Bell who all worked so hard, and I hope had a bit of fun along the way. And a special word for our younger members, Lara Murphy, Nickie and Jackie King, Martin Schwenk, Mark Warner; the very decorative girl dancers Samantha Braithwaite, Sarah Garman, Lisa Schwenk, Amy and Melanie Warner, and a very very special thank you to Fiona Garman. Who stepped in and saved the whole script from having to be rewritten. And thank you to all the people not on the stage – first to Betty Britten our faithful pianist of many years; Joan Bell whose costumes were particularly attractive this year, Nancy Harries, Anne Bremner, David Sherman, Mollie Watson (who made all the coolie hats), John Turner, Tom Watson (who painted his usual very attractive back cloth), Wendy Turner; the people responsible for scenery, props and stage management; Harry (who doesn’t have any choice), Arthur Adams who as usual coped with all the lighting, Brenda Bradford who helped with make-up, Reg Bell for printing and tickets, Kate Lau who lent the genuine Chinese jackets and chopsticks, Jean, Peter and everybody at the shop, and a special mention to Peggy Dunnett our invaluable and expert prompt. It seems a very long list, but it does take a great deal of work. Thank you one and all.

Hastoe Public meeting 16/1/19 Notes from Councillor Presland.

Just over 50 people attended the Public meeting and most were very impressed with the design ideas presented by Hastoe. 4 members of their staff were on hand to answer questions and to explain the eligibility criteria. 2 Hastoe staff visited each bungalow in Alston Close to ensure they all residents had a chance to comment on the proposals. Hastoe were very impressed with the turn out at the Public meeting and believe demand might exceed availability. If that is the case, we will need to decide whether to investigate further possible sites.

RE the current site, Hastoe intend to make a planning application in the next few weeks and they hope to start building in the late summer 2019 .
