All Saints Church, Newton Green

SEPTEMBER/OCTOBER

Churchwarden:	vacant
Flowers:	Volunteer needed
Cleaning:	Chris Cornell

August and September were busy months at All Saints Church and we would like to thank everybody who helped to make the events so successful and the church look so beautiful.

On Sunday 25th we were fortunate enough to host Reverend Robert's first morning service. It was lovely to see lots of new faces both from our parish and the rest of the benefice. The service was well received, as were the fantastic cakes and refreshments and the opportunity to chat with friends new and old.

The Keld Ensemble performed in the church on Friday 6th September. As the sun set through the windows the church was bathed in fabulous light and amazing music. Candles lit the latter part of the evening and the atmosphere was amazing. We look forward to a return visit from the musicians in the new year.

The following day was the Autumn Show which has been held in the church for the last few years. Another successful event which you can read more about elsewhere.

KELD ENSEMBLE

Keld Ensemble were delighted to perform at All Saints Church in advance of the Autumn Show. Despite the cooler conditions, the many that attended were treated to atmospheric string music as the sun set. The rich acoustics of the medieval Nave were fully exploited by the music of Arvo Part and J.S. Bach. Flute soloist Janna Huneke blended nicely with the string ensemble and top billing guitarist, Giorgio Serci endeared himself to the village audience with his superbly crafted South American and Sardinian inspired compositions. Many of the audience stayed for a glass of wine, keen to savour the moment, and perhaps this could see the Church used for more such occasions in the future. Many thanks to Paul and Sue and Jane behind the scenes and all who helped clean the Church ahead of the weekend.

The collection box and tin, together with a donation from ticket sales amounted to just over £150 raised for Prostate Cancer UK. A smaller donation went to the Church. Thank you all.

NEWTON AUTUMN SHOW

7th SEPTEMBER 2019

This year's show reverted to the full schedule of nearly 80 different classes. I try to make the show as varied as possible to give as many people as possible the chance to enter. After all we're not all green fingered.

Entries were a little down this year with 16 people entering just over 100 different exhibits. This was disappointing but the standard of the exhibits was excellent and the competition was fierce.

The church looked really lovely and the garden flowers and flower arrangements were a mass of colour.

We had a good turnout for the viewing and there was a buzz as the auction of produce began. As always everybody was extremely generous and we raised just over £70. £50 of this was profit and was donated to the church.

I would like to thank everyone who entered, as I know it can be time consuming and stressful! And those who came along in the afternoon to support the event. Also thanks to Carole and Joan for looking after refreshments.

Sponsored Church Cycle

A big thank you to everyone who sponsored us for the church cycle. It was a lovely day and the weather was perfect!

This year we started in Lavenham and went through Cockfield to Stanningfield and onto Whepstead, where we visited the only church named after St Petronilla in the country! From there we went via Rede, Hartest and Stanstead into Long Melford. After following the old railway line we visited 8 churches in Sudbury before the climb up Kedington Hill to Little Cornard and then onto Newton and home. We so far have raised £170 which will be divided between All Saints church Newton and the Suffolk Historic Churches Trust.

Thanks once again!

Marianne and Richard Anthony

NEWTON NEIGHBOURHOOD PLAN

The Neighbourhood Plan Committee held a consultation meeting in the village hall on Saturday 14th September.

There was a good turnout and we bribed attendees with pastries and sweets.

The main focus of the meeting was to get the village's thoughts on the plan's objectives.

They were generally well received and we are grateful for everyone's contributions.

The objectives are on Newton website and on the notice board at the end of Church Road.

Our next step is to write a draft plan and send it to Babergh District Council for their comment

FIRESIDE

September 3rd

19 members came to see and hear Stephen Young from Lavenham Falconry . Members enjoyed all the information and especially the two owls he had brought with him. They were very obliging owls and many members enjoyed handling and stroking them. We had the pleasure of meeting Agnes who despite his name was male and Gizmo a beautiful barn owl

September 17th

Another well attended meeting. Gordon Kennett, the warden from Arger Fen gave us the history of this beautiful wooded area , he also brought a quiz "name the trees the leaves came from " . Some members were quite knowledgeable, others less so. Interest was shown in visiting the woods.

Unfortunately we had to cancel the visit to Shelly Riding for the Disabled stables as members were not keen on coming home in the dark.

September 26th

We have an outing organised by Theresa and Moira to Flatford where we will have a guided tour with the use of a buggy for 3 members.

October 1st at least six members are attending the funeral of Monica Griggs our longest living Newton resident , she was 100 years old. The club will meet as usual with a quiz , tea and a chat.

October 15th "What are you reading? " please bring your current book and any recommendations for a good read.

October 25th we have an outing to Paycocks Hall in Coggeshall. Moira and Theresa are organising this outing. 10.0 am n g v h
