## NEWTON NEIGHBOURHOOD PLAN

Dear Residents

For the past two years, the Newton Neighbourhood Plan Steering Group has been engaging with you on how you want our village to develop between 2021 and 2036. There have been surveys, discussions, presentations and a lot of hard work put in by all concerned and the result is a draft Newton Neighbourhood Plan (the Plan) that is now ready for your review.

The formal notice on this consultation stage is in the Newsletter, but in summary, you have from the 17<sup>th</sup> August 2020 until the 12<sup>th</sup> October 2020 to let us know your views on the proposals.

We want to hear from as many of you as possible and for you to tell us what you think of the Plan. This could be that you support it or that you have issues or concerns about aspects of the Plan. If you have issue or concerns would you please refer to the precise paragraph that you are referring to; tell us what should be changed; and what wording should be used instead.

COVID-19 is presenting us difficulties in providing a full paper copy for your review and holding a public meeting in the Village Hall to allow you to raise any questions on the Plan, so we have made the following arrangements:

- The Parish Clerk, Dave Crimmin has a printed copy which can be delivered to a resident by arrangement by calling 01787 375085
- We will be holding two Zoom meetings for residents on Wednesday 16<sup>th</sup> September 2020, the first between 2pm and 3pm and the second between 7pm and 8pm, so that we can answer your questions on the Plan. The joining instructions for the Zoom meetings will appear in the September Newsletter.

We appreciate that these arrangements will not be ideal for everyone, but we hope that they will allow you to provide us with your feedback on the Plan.

Thank you for helping us get to this stage of the process.

Paul Presland  
Chairman, Newton Parish Council

## NEWTON PARISH COUNCIL NEWS

Update on our new recreational facilities.

Dear villagers

I am sure you have noticed that the children's playground has been demolished and most of the contents removed. At present, the site is very uneven and villagers are, therefore, advised to keep away from the area. In the next few weeks the site will be levelled in preparation for the redevelopment of the playground.

The Parish Council are now receiving tenders from potential contractors and we are pleased to report there has been a great deal of interest in the 3 projects. At our August Parish Council meeting, a decision will be made about which company has won the contract for each section of the redevelopment. Decisions will be made using an agreed scoring system and the successful companies will be informed before the end of the month. Once the contracts have been agreed, discussions will take place to finalise specific details, including start dates.

Several villagers have already asked about completion dates but because of the size of the project, realistically Councillors do not expect the work to be completed before Spring 2021. However, as soon as we have more accurate dates we will let villagers know. In the meantime, we will keep you up to date with developments via our newsletter and our new website.

Paul Presland  
Chairman, Newton Parish Council

**NOTICES**

**SUNDAY 23<sup>rd</sup> August     11.00am     COMMUNION SERVICE**

The church will be open for private prayer at the following times:

**SUNDAY            10.00 – 1.00**

**WEDNESDAY    1.00 – 4.00**

Sunday 26<sup>th</sup> Sunday saw the first service in our lovely church since February. I can remember putting flowers in the church ready for the Mothering Sunday service, but it was not to be, and soon after the church was locked. It was only a few weeks ago that several vases of very dead daffodils were removed.

We spent a good few hours ensuring the church was ready for when it could be opened for private prayer and over the last few weeks it has gradually come back to life and, once again, looks loved.

The service on Sunday was looked very different as social distancing guidelines were closely observed. Masks were worn, hands were sanitised and the congregation was spaced the required 2 metres apart. No hymns were sung and Holy Communion looked slightly different too, but I am sure that everyone was pleased to be getting back to some sort of new 'norm'.

The Reverend Rob was joined by Father James Ridge, Associate Priest, who is now assisting the Reverend across the benefice.

You may be aware that a new Box River Benefice Administrator has been appointed. Colleen Pearce has recently started in her new role. She can be contacted on 01787828046 (Mon, Tues, ~~Thur~~ between 9.30 and 1.30) or by email at [boxriverbenefice@gmail.com](mailto:boxriverbenefice@gmail.com).

**NEWTON PARISH COUNCIL**

DRAFT Minutes of meeting held on 8<sup>th</sup> July 2020 via Videoconference

**Present:** Councillors Paul Presland (Chairman), Russell Bower, Rita Schwenk, Laura Smith and Philip Taylor.

**Attending:** James Finch (Suffolk County Councillor), Lee Parker (Babergh District Council), Dave Crimmin (Clerk) and 4 residents.

**20/185 Apologies for Absence**  
Cllr Sue Vince (unwell) gave her apologies.

**20/186 Declaration of Interests and Requests for Dispensation**  
No interests were declared and no requests for dispensation had been received.

**20/187 Minutes of Meeting held on 10<sup>th</sup> June 2020**  
The minutes of the meeting were approved by the councillors who resolved that the minutes should be digitally signed by the Chairman as a correct record.

**20/188 Public Forum**  
All the residents present raised their concerns on the speed of traffic travelling on the A134 through the village. They all felt that the only solution would be average speed cameras being located at each end of Newton's 30mph zone. Cllr Presland outlined the solutions that NPC had implemented over the years to what has always been an issue for residents in the village; by requesting Police Speed Enforcement officers to attend the village, operating a Speedwatch scheme, requesting the speed camera to be deployed in the layby and now having purchased a Speed Indicator Device to rotate between two positions at either end of the 30mph zone. Currently, there are no other powers that the Highways Authority will delegate to a parish council.

James Finch outlined that SCC had initiated a project, which has been delayed due to COVID-19, to see if a pilot scheme to install average speed cameras in villages, could be trialled in Suffolk. He also said that he had put forward Newton as a village in which the scheme could operate, but at this stage no decision on this had been made. Cllr Presland confirmed that NPC is incredibly supportive for Newton to be one of the locations for the pilot. James also updated councillors on COVID-19 monitoring by SCC, Schools returning in September, Fostering and Adoption services and the solar panel initiative by SCC. He was asked a question on whether the solar panel scheme would be open to village halls and for his support in a school admission issue that a resident is experiencing.

Lee Parker updated councillors on the Business Grant scheme, Babergh's Carbon Neutral policy and the CIFCO business plan.

**20/189 Emails circulated**  
Following a review of the emails circulated by the Clerk since the last meeting, there were no further actions requested of the Clerk.

**20/190 Clerk's Report (Appendix A)**  
Following a review of the Clerk's Report, the councillors noted their satisfaction with the work undertaken by Sudbury's Community Wardens to clear the 30mph signs of hedge growth on the entry to the village from Colchester.

**NEWTON PARISH COUNCIL**

DRAFT Minutes of meeting held on 8<sup>th</sup> July 2020 via Videoconference

**20/191 Finance**

- a. All cheques signed and due for signing, as itemised in the RFO Report (Appendix B), were authorised by the councillors. The councillors also noted the income received since the last meeting and reviewed the Statement of Accounts against the budget and the bank reconciliation against the bank statements.
- b. Cllr Presland will take the mandate change form to Barclays to update the bank signatories. He will also get the correspondent details for NPC's bank accounts changed to the Clerk.

**20/192 Planning**

- a. The councillors reviewed **Planning Application DC/20/02323 Land At Airey Close** - Application under Section 73 of The Town and Country Planning Act for DC/19/03383 for variation of Conditions 2 (Approved Plans and Documents) and 5 (Provision of Parking) and resolved that they had no objections.
- b. The councillors reviewed **Planning Application DC/20/02439 Saracens Cottage, The Green** - Demolition of existing dwelling, amendments to boundary line and erection of replacement dwelling and resolved to object to the application on the following grounds.

Within Newton's emerging Neighbourhood Plan (Pre-Submission stage) Policy NEWT 3: Character and Design of Development Section 2 states:

"The design and layout of development must recognise key features of the landscape, built character and heritage and seek to reflect these through:

- a. the use of good quality materials that complement the existing palette of materials used within the area; and
- b. the scale and mass of buildings being in keeping with those that surround them."

The councillors feel that this application, for a site adjoining the Green, fails this test on the following grounds:

- The proposed dwelling is out of keeping with the setting and the adjoining buildings in terms of design, scale and mass
- The increased ridge height of the proposed dwelling (approximately 8 metres compared to the existing dwelling's approximate height of 5.5 metres) of 45% at this location is not acceptable.

The councillors do not accept the incomplete Environmental Report produced for the application.

- c. No further planning application had been received since the agenda was posted.
- d. The councillors reviewed the status of previous applications and appeals (Appendix C).

**20/193 Neighbourhood Plan**

Cllr Presland updated councillors that the draft NP was now being modified for the Pre-Submission stage of the NP process, which NPC will have to approve at its next meeting. The Pre-Submission stage is the last opportunity for NPC to consult with the community, neighbouring parishes, local businesses and statutory stakeholders on its plans before the formal submission of the NP to Babergh District Council. The councillors noted that a grant had been received, which will cover the costs of the planning consultant to work on the forthcoming stages. The project plan for the remaining stages was reviewed by councillors.

**NEWTON PARISH COUNCIL**

**DRAFT Minutes of meeting held on 8<sup>th</sup> July 2020 via Videoconference**

**20/194 Speed Indicator Device**

Cllr Bower updated councillors that the SID had now been delivered to NPC but was still awaiting SCC to upgrade the posts in two locations before it can be deployed. As the SID records the speed of all traffic movements, NPC expect that this data will be used in highlighting the speeding issues that the A134 presents to Newton residents.

**20/195 Recreation Ground**

- a. The councillors reviewed the tender specifications for the three phases of the recreation ground refurbishment and resolved that these should be used when the tenders are placed on the Government's Contract Finder database on the 10<sup>th</sup> July 2020. With all tender responses due to be received by the 3<sup>rd</sup> August 2020, the working group will make their recommendations to councillors at the extra NPC meeting on the 12<sup>th</sup> August 2020. Cllrs Presland and Bower will be available to show suppliers round the site during the period 13<sup>th</sup> to 24<sup>th</sup> July 2020. Cllr Taylor will be managing the clearance of the existing play equipment and ensuring that the vehicular access to the recreation ground is suitable for access by lorries.
- b. The councillors reviewed the tender evaluation criteria document and asked that Cost and Quality be emphasised in the criteria on an equal basis with Full Detailed Design.
- c. The councillors reviewed the project plan for the refurbishment and had no issues.

**20/196 Plan of NPC tasks**

The councillors reviewed the plan of tasks that are needed to be undertaken over the coming months and agreed that an extra NPC meeting would be held on the 12<sup>th</sup> August 2020.

**20/197 NPC Assets**

Cllr Bower presented the results of the review undertaken of the council assets and the councillors resolved the following:

- The bus shelter by Links View to be replaced
- The round park bench by Saracens Pond to be removed
- Sid Scammel to be engaged to maintain other assets identified as requiring attention.

**20/198 Standing Orders and Financial Regulations**

The councillors reviewed the changes proposed by the Clerk to the Standing Orders and Financial Regulations and resolved that both documents be adopted by NPC.

**20/199 CIL Policy and Privacy Policy**

Due to the shortage of time, it was agreed to defer this item until the September meeting.

**20/200 Newton Green Trust & Village Hall**

Cllr Taylor reported that the Trust's project to replace the bridge was underway. Cllr Schwenk said that she would update the Village Hall Committee now that village halls can reopen. Cllr Presland is to arrange a meeting with the Village Hall chairman to discuss future developments in the village.

**20/201 Questions to the Chair**

There were no issues raised.

**20/202 Next Meeting**

An extra NPC meeting will be held on Wednesday 12<sup>th</sup> August 2020, starting at 7.30 pm.

**The meeting closed at 9.50 pm.**

## NEWTON GREEN AUTUMN SHOW SATURDAY 5<sup>th</sup> SEPTEMBER

Hopefully you all received your show schedules with last month's newsletter. If not, I have a few more, or it is available on the village website.

The village Hall Committee has confirmed that, as long as Government guidelines don't change, they are happy for the show to go ahead. Next month I will publish the guidelines and procedures that will be put in place to ensure everybody's safety.

I have already had an entry form returned, so we have to go ahead now!! I am sure that with lockdown you have all had lots of time to plant and tend your flowers and vegetables, perfected your recipes and taken loads of photographs. This will be the first village event for months, so I really hope that as many of you as possible join in, either by entering or by coming to the picnic and viewing. As I always say, competition is fierce but friendly. We're not looking for perfection, it about the taking part. It would be particularly lovely to see you if you who are new to the village or haven't entered before. I would also be really pleased to see some of the young people of the village taking part.

That's all for now, more in the next newsletter.

Stay safe

Sue
