CHRISTMAS FAYRE

Our Christmas Fayre was held on 7th December and it was very well supported. The village hall was packed with happy shoppers and the atmosphere was great. Villagers and local businesses were very generous and the raffle table was overflowing with some great prizes. There was a separate raffle for a Christmas Hamper, a Christmas Tombola and a draw for a bottle of whiskey. Gordon Kennet sold amazing Christmas Wreaths, there were beautiful felt decorations for sale, the cake stall was well stocked and there were even plants for sale. Of course the bric a brac and books stalls were popular too. Carole and Joan provided refreshments so it was a good opportunity for folks to catch up and have a good old natter.

Thanks to everyone's generosity over £500 was raised, so a big thank you to all.

PAYCOCKES HALL (from Bob Rowland)

As a postscript to the Fireside Club's recent visit to Paycockes Hall at Coffeshall, for many years I have had the Bill of Sale for Paycockes, which had been given to me by my parents. It shows that the Hall was owned by my Great - Great- Grandfather in the 1870's.

I showed this Bill of Sale to the custodian of the Hall, who was very excited saying that this Bill of Sale helped fill in a gap in the history of the hall and showed us a board on the wall, showing the date my ancestor, Thomas Rowland lived there.

ALL SAINTS' CHURCH FOOD BOXES

After only four weeks of starting the church's food box donations, two boxes of food and personal hygiene products have already been taken to the food bank in Sudbury where over 300 families (40% of which are children) are being given help. The situation is only going to get worse especially over the winter months (especially Christmas).

There is a poster on the church notice board which gives suggestions for suitable items for donation just in case you get stuck for ideas.

Your continued support is greatly appreciated.

With many thanks, All Saints' Church PCC

FIRESIDE

Happy New Year to Fireside members. A start of another 24 meetings.

Our first meeting was on January 14th when we had a chat and two quizzes from Alan. One on nursery rhymes and the other pictures of a variety of animals . These are always very enjoyable and I like to think we learn the odd fact. No idea who the winners were as they don't seem to be taken very competitively. We had 15 members attend on a miserable day ,all enjoyed the fire and Pats delicious cakes.

January 28th we are having fish and chips from the Godfather 12.30 for 1.00pm.

February 11th we are hoping to get Susannah Fulger to speak to us about recycling. She comes from Braintree District Council but as yet as she has not replied to phone calls made in November and early January so watch this space

February 25 this is Pancake day so don't eat too much lunch 2pm meeting pancakes about 2.30.

We are trying to get an afternoon at the Abbeygate cinema in B St Eds on March 27th all depending what is showing.

March 10th we are playing Bingo!

Hope to see you all in Feb new members would be very welcome.

It is with great sadness I have to report the death of our eldest member, Diana Stock. Although she moved away from the village to live with her daughter at Ford End near Chelmsford a few years ago she had always been interested in our activities and our outings. I will miss her.

Wendy

20/03 Minutes of the Meeting held on Wednesday, 11th December 2019

The Minutes of the meeting were agreed by the Council as a true and correct record and duly signed by the Chairman.

20/04 Public Participation and Reports from Borough and County Councillors

- a) Cllr Finch (Suffolk County Council) had submitted a written report.
The Chairman noted certain points on the report which had been circulated prior to the Meeting.

The Clerk was asked to ascertain from Cllr Finch if there had been any progress on the sign for the 14th Century Church.

Thanks were expressed for Cllr Finch's report.

- b) Cllr Parker had spoken to the Chairman prior to the Meeting and confirmed that there was no update on the Second Phase of Red House Farm.
A member of the public informed the Council that Babergh District Council were still in negotiation about the way forward with Phase Two of Red House Farm.
A decision is awaited.
- c) Wheldon Barns – Cllr Parker had informed the Chairman that no further progress had been made. The Enforcement Team will have more powers and will be reorganised to be seen to be more efficient. Wheldon Barns needed to be dealt with as soon as possible. New issues presented to the Enforcement Team will take at least 12 months in advance to be considered but present, ongoing issues will be dealt with as a priority.

20/05 Actions agreed from Correspondence Forwarded from the Clerk

A letter received by Suffolk Neighbourhood Watch requesting a donation of £50 had been received. A discussion took place. It was noted that Newton's own Neighbourhood Watch was not operational.
RESOLVED: To give a donation of £50 to Suffolk Neighbourhood Watch

20/06 Clerk's Report and Actions Agreed arising from the Report

The Clerk's Report had been previously circulated. The following points were noted/agreed.

a) Precept

It was agreed that the Precept application for 2020/21 would be submitted when information about the Council's budget had been received.

b) Bank Holiday Celebrations to mark 75th Anniversary of V.E. Day

It was reported that celebrations are in hand for the forthcoming V.E. Day 75th Anniversary and these will be held in the Jubilee Gardens. A member of the community, currently on holiday, would advise the Council of the details when back. It was noted that this event needed to be advertised.

c) Proposers and Seconders

The need for all motions to have a Proposer and Seconder was noted. Some Councillors expressed that they did not wish their names to be mentioned in relation to proposing or seconding a motion. The Clerk informed the Council that this was acceptable but, if at any time in the future any Councillor called for a 'named vote', this could be done.

d) Financial Report

A Financial Report would be presented at the February meeting of the Council.

e) Thanks to the Council

The Chairman passed the Clerk several cards which had been received thanking the Council for gifts.
Cllr Bower informed the Council that the total collected for the British Legion had been £989.56. This had been received from the village and local businessmen. The British Legion sent their thanks to the Council for their donation of £100.

20/07 Planning

The Chairman presented a summary of the status of current Planning Applications which had been previously circulated to Councillors.

A new application: **DC/20/00019 – Building new dwelling and creation of vehicular access – name – 'Woodean', Links View, Newton, Sudbury** had been received.

A discussion took place about the erection of this property. Two members of the public supplied additional information, one of them being personally

involved in the planning application.

RESOLVED: The Council supports this application.

Two members of the public left after this item had been discussed.

20/08

Finance

a) **Expenditure** to date to be discussed at the February meeting.

b) Precept

The Chairman and Clerk would meet some time during the week commencing 20th January 2020 to discuss the Precept figures further prior to discussion again at a Council meeting and submission to Babergh.

c) Budget

The new Clerk was informed that the budget figures including money received for work on the Neighbourhood Plan. It was agreed that this money should be separately recorded.

The heading 'Youth Council' to be removed from the Budget as it is no longer applicable.

The Clerk's Salary expenditure would be higher this year because the Council is paying a fee as well as the payment for a Locum Clerk.

d) Reserves

The Council took note of the balances in the 3 Council held accounts. It was agreed that the Current Account should hold an amount of £500 as contingency against bill payments.

The Council had made a bid for £160,000 to Babergh Council for the provision of a sports area and sports equipment for the community. It was possible that the Council would be asked to 'match fund' these ventures. A discussion took place and it was noted that the Community Infrastructure Levy might provide some funding. The Chairman informed the Council that he will be meeting with the District Council on 4th February for a site meeting.

f) Speed Limit Warning Signs

Cllr Bower gave an update on the Speed Limit Warning Signs. These can be powered from street lighting or solar panels: the latter being the better option. He recommended that the Council purchase 2 solar panel kits and one sign. The total cost would be £2,500. The situation could be reviewed in 6 months time. The signs which provide a warning of speed also provide road and traffic data. Bigger posts would be needed of 4.5 metres high to support the solar panels. It was suggested that one sign be placed outside

Manders where the 30 mph limit exists and one opposite Red Farm. Cllr Bower would be willing to put up the signs.

A discussion took place and it was **unanimously AGREED to purchase the Signs at a cost of £2,500.**

g) Cheque signatories

Councillors discussed the need to perhaps change banking arrangements, given the poor service received from Barclays Bank. Mandate Forms need to be completed for Councillors to become eligible to sign cheques.

h) Cheques

There were no cheques to be signed at the meeting.

20/09 Questions to the Chairman

a) Hastoe

The Chairman reported that no further information has been forthcoming. He will pursue the matter.

b) Co-Option of Councillor

The Chairman suggested that the Council would benefit from a Co-opted member. **Agreed:** To advertise for another Councillor via Co-option.

c) Newton Trust

The Chairman informed the Council that the Newton Trust will be holding a Coffee Morning on Saturday, 25th January 2020 at 10.00 am in the Village Hall.

20/10 Date and Time of Next Meeting
