## NEWTON PARISH COUNCIL NEWS

### Regeneration Of Our Recreation Ground Facilities

The Parish Council is delighted to announce that it has secured funding from Babergh/Mid Suffolk of a 120k to help build new facilities on our recreation ground. This fantastic news means villagers of all ages will be able to enjoy modern facilities designed to improve physical development, health and well being in a safe and sociable environment. We are indebted to everybody involved in our submission and to all Councillors from B/MS who saw fit to award us the finance that makes it possible to realise our village ambitions.

The regeneration has three separate components which will be situated in the northern areas of the recreation ground.

1. A multi -use games area, suitable for five aside football, netball, basketball, handball, volleyball and tennis. It will have a surface suitable for all these sports and will be surrounded by 3 metre high championship fencing. At this stage no lighting will be provided.

1. A new playground divided into two zones to cater for the different physical and cognitive needs of the under 7 and the 7-14 age groups. It is scheduled to contain the following; multi use cantilever basket, a multi play unit, agility multi play unit, saucer wheel, various sprinters and of course various swings. The flooring will be a rubber mulch surface.
2. A Forever Fit area for all age groups. We will be asking contractors to design equipment that motivates, inspires and activates all generations to work together. To increase engagement, it should provide a fun, sociable, achievable pastime which offers short time benefits while still being challenging enough after many visits.

### Timescales

#### July

In preparation for the new playground, the old facilities will be demolished and removed by the Parish Council and village volunteers.

Villagers are asked to keep away from the area during this process.

## **August**

Tenders for the work will be received and the PC will select their preferred contractor.

## **September**

It is hoped the first spade in the ground will take place.

The Parish Council will keep villagers informed about the regeneration developments via village newsletters and our Around the Green website.

In the meantime, we would welcome your views about the proposals, in particular any ideas about the contents of the playground. Any observations, should be forwarded to our Clerk, Mr. D.Crimmin. [newtonpc2@gmail.com](mailto:newtonpc2@gmail.com)

## NEWTON VOLUNTEERS

The Newton Volunteers have continued to offer support and a friendly face this month. More goody bags have been distributed, with the latest bag containing a more summery selection.

It is a welcome relief that lockdown is easing and we're able to get out a bit more and meet up with friends and family and hopefully not many of you are still feeling isolated. Because of this we will not be continuing to deliver goody bags at the moment, unless we hear that somebody is particularly in need of a bit of cheer.

We can't thank Anita enough for her heroic efforts, I dread to think how many pasties she has baked, must be hundreds! Also, a big thank you to all of you who have donated ingredients or funds and to the volunteers who have delivered the bags.

We hope that the goody bags have brought a little brightness into these difficult times, certainly the lovely messages and cards have brought cheer to us. I'll bring them along to the first coffee morning for you all to see.

We are, of course, still here in case of an emergency, to do shopping, collect prescriptions or anything else that is needed.
