NEWTON VOLUNTEERS

The Newton Volunteers continue to offer support to anybody requiring help or company during these difficult times. Although there has been a small reduction in restrictions, there are still a lot of members of our community who have to isolate or shield and can't go out to shop or collect prescriptions. We know it can be difficult to ask for help, but all requests remain anonymous. So, when somebody phones, we post a general call for help on our WhatsApp group then whoever can help is given details of the request via a private message. The volunteer contacts the person requiring help so they can get all the details needed. The volunteer then lets us know when the request has been completed and it can be signed off. So far, we have had relatively few calls for help as we are lucky to live in a very caring community and friends and neighbours are generally helping out.

Several volunteers and others in the village have offered to keep in touch with anybody who is feeling a bit lonely or vulnerable. We are quite happy to make phone calls to have a chat if it would be helpful. Just call one of the numbers below and we'll sort it out.

Anita continues to cook and we have given out more goody bags than I can count. Another batch is going out tomorrow (22nd May) These bags will include sweet and savoury treats and Anita's tomato chutney.

Volunteers always follow social distancing guidelines, but enjoy having a long distance chat for a few minutes and checking that everything is OK. We have had some lovely cards, letters and phone call saying how much these little treats are appreciated. Hopefully, we will continue providing them for as long as necessary.

As I mentioned last newsletter, the Village Hall Committee, the Fireside Club and the Parish Council have kindly donated funds to help provide these bags. Local businesses have also donated items. In addition, Anita has financed a lot of this herself and other individuals have donated ingredients or the odd pound or two.

Obviously, any donations or suggestions of other ways we can support our community would be most welcome.

Although these are challenging times for everyone, it has really brought out the best in people and further strengthened our sense of community. So, I would just like to finish by thanking our fantastic baker, all of our volunteers, the business that have donated goods and the village organisations who have supported us too.

Our village looked wonderful. Thank you to everyone who put up bunting!

NEWTON PARISH COUNCIL NEWS

We were able to meet in May via a Zoom video conference call. Please see Minutes.

KEY MESSAGES

IMPORTANT: A response is required from 'YOU' regarding item 3.

1. New Clerk

After a 3 year absence, we welcome back Dave Crimmin as our Clerk. He has lived in Newton for many years and has a wealth of experience and knowledge about effective clerking for Parish Councils. Full details about how to contact him are contained within the Newsletter and in the Around the Green website.

2. Clerk Vacancy

One of our Clerk's first jobs was to advertise our Parish Councillor vacancy. If you would like to find out more about the role, please do not hesitate to contact the Clerk or any one of our Councillors and they will be very happy to answer any questions you might have.

3. Recreation Ground - new facilities

I am sure that villagers recall that we have planning permission to rejuvenate our recreational playing facilities. This was in response to your comments in the 2018 Amenities Survey. We would like to install a free to use multi use games area, new children's playground and all age adult fitness stations. The cost of this venture is circa. 160k. which is obviously far beyond the reach of the Parish Council's budget. We have submitted grant applications to Babergh/MidSuffolk to see if they could supply funds to help us realise our village ambitions. At the meeting of the 13/5/20 we received encouraging feedback from our District Councillor, Mr Lee Parker about our requests. He informed us that Cabinet Members from Babergh/MidSuffolk would meet in early June to consider the matter and make a decision. In advance of that scheduled meeting, I think it would help our cause tremendously if we could submit some more recent survey data that illustrates villagers' continued commitment to the rejuvenation of our recreation ground facilities.

As a villager, what can I do and how long have I got to do it?

Please email the Clerk or any Councillor with the following simple statement.

newtonpc2@gmail.com or p.presland@btinternet.com

I support the project to refurbish and upgrade the recreation ground facilities.

Please include your address. Every member of the village is eligible to comment.

Deadline is 2nd June 2020.

Thank you for your help with this matter.
Best wishes to you all, stay alert and stay safe.

Paul Presland
Newton Parish Chairman.

DRAFT MINUTES OF NEWTON PARISH COUNCIL ANNUAL MEETING
Held on Wednesday 13th May 2020 via Videoconference at 7.30pm

Present: Councillors Paul Presland (Chairman), Russell Bower, Sue Crawte, Rita Schwenk, Laura Smith and Philip Taylor.

Attending: James Finch (Suffolk County Councillor), Lee Parker (Babergh District Council) and Dave Crimmin (Clerk).

20/149 Election of Chairman

Cllr Presland was unanimously elected as Chairman of Newton Parish Council (NPC) and signed the Declaration of Acceptance of Office before taking the chair.

20/150 Apologies for Absence

None required.

20/151 Election of Vice Chairman

It was unanimously resolved that Cllr Crawte be elected the Vice Chairman of NPC.

20/152 Declaration of Interests and Requests for Dispensation

No interests were declared and no requests for dispensation had been received.

20/153 Minutes of meeting held on the 8th April 2020

The minutes of the meeting were approved by the councillors who resolved that the minutes should be digitally signed by the Chairman as a correct record.

20/154 General Power of Competence

The councillors resolved that as NPC met the criteria for the Clerk's qualification and the number of councillors who stood at the 2019 Parish Council Election, that NPC would adopt the General Power of Competence.

20/155 HR and Standards Committees

Cllrs Bower and Crawte were appointed to the HR Committee. Cllrs Smith and Schwenk were appointed to the Standards Committee.

20/156 Representatives to Outside Bodies

It was resolved that the following appointments be made:

- | | |
|---|--|
| a. Newton Green Trust | Cllrs Taylor and Crawte |
| b. Village Hall Management Committee | Cllr Schwenk |
| c. Alston & Plampin Charity | Mrs S Presland, Mrs M Williams and Mrs J. Taylor |
| d. Newton NP Steering Group | Cllrs Smith, Schwenk and Presland |
| e. Cllr Presland was appointed as the representative to the Suffolk Association of Local Councils (SALC). | |

20/157 Internal Auditor

The Clerk declared that he is a consultant for Heelis & Lodge. It was resolved that Heelis & Lodge be appointed as Internal Auditor for 2020 / 2021 and the Clerk to send the letter of engagement.

20/158 Annual Subscriptions

It was resolved to renew the annual membership to the Suffolk Association of Local Councils, Community Action Suffolk and The Society for Local Council Clerks for 2020 / 2021.

Series Page 2
DRAFT MINUTES OF NEWTON PARISH COUNCIL ANNUAL MEETING
Held on Wednesday 13th May 2020 via Videoconference at 7.30pm

20/159 Public Forum

The councillors reviewed Lee Parker's previously circulated report and he updated councillors on Babergh holding remote meetings, brown bin collections being resumed and Business grants. He also told members that NPC's application for CIL 123 funding for the new recreation ground was due to be considered by Babergh's Cabinet at their June meeting. Lee Parker was thanked by councillors for all his support of the project.

The councillors reviewed James Finch previously circulated report and he congratulated NPC and Lee Parker for their collaborative work on the CIL 123 grant application. He updated councillors on the COVID-19 challenges, Primary School preference placements, parking enforcement, the Transport Task Force, fostering and adoption services, household waste services being re-opened and speed enforcement.

20/160 Correspondence

Following a review of the Correspondence and the emails circulated since the last meeting there were no further actions requested of the Clerk.

20/161 Clerks Report (Appendix A)

Following a review of the Clerk's Report the Clerk updated councillors that the works to repair the notice board at the Village Hall had been quoted at £185 by P Scammell. The councillors resolved that the works should be undertaken asap.

20/162 Finance

The Chairman introduced the finances section by requesting councillors to raise any questions with the RFO directly on the finance reports that he produces for the council in order to have a greater understanding on how the finances work.

- a. All cheques signed and due for signing, as itemised in the RFO Report (Appendix B), were authorised by the councillors. The councillors also noted the income received since the last meeting.
- b. The councillors reviewed and approved the Bank Reconciliation and Statement of Accounts as at 31st March 2020 (Appendix C).
- c. The councillors reviewed and approved the CIL Return to Babergh (Appendix D) as at 31st March 2020.

20/163 Planning

- a. The councillors reviewed **Planning Application DC/20/01484 Brook Farm, Sudbury Road** - Erection of 2no. single storey dwellings with garages (Alternative scheme to that approved under DC/17/05831) and resolved to object to the application on the following grounds:
 - i. The proposed dwellings are outside the BUAB of the existing Babergh Local Plan and the emerging Babergh Joint Local Plan (JLP)
 - ii. The approved scheme under DC/17/05831 is within BUAB of the emerging JLP
 - iii. Newton's emerging Neighbourhood Plan (approaching Schedule 14) includes the following policy that NPC feels should have some consideration in the determination of this application. Policy NEWT 1 Development Strategy point 2 states "***Proposals for development located outside the settlement boundary will only be permitted where it can be satisfactorily demonstrated that it will provide benefit to the local community and that it cannot be satisfactorily located within the settlement boundary.***"
 - iv. NPC would argue that this application does not provide any benefit to the local community and, as demonstrated in the permission granted for DC/17/05831, can be accommodated in the BUAB of the emerging JLP.

Series Page 3

Held on Wednesday 13th May 2020 via Videoconference at 7.30pm

- v. Should the LPA be minded to approve this application, NPC would ask that a construction management plan is produced that takes into account the proximity of the site to neighbouring properties in both access and permitted hours of working. Also, as the access to site is via a gravel track owned by Newton Green Trust, that any damage caused by construction traffic is made good by the developer.
- b. No further planning application had been received since the agenda was posted.
- c. The councillors reviewed the status of previous applications and appeals (Appendix E).

20/164 Neighbourhood Plan

Cllr Presland updated councillors that the final draft of the Newton NP is expected to be submitted to Babergh next week for their review. Following the review, the plan will enter the more formal stages of the NP process which are expected to take around 12 months especially with the pandemic having impacts on public engagement. The councillors wish to record their appreciation of all the hard work undertaken by the Steering Group members over the past 3 years.

20/165 Speed Indicator Device

Cllr Bower updated councillors that the order for the SID was still being held up in France due to the pandemic. The Clerk was asked to obtain the SCC guidance on the process to install SID's on the highway.

20/166 Recreation Ground

The council is awaiting the outcome of the CIL 123 grant application.

20/167 Newton Green Trust and Village Hall updates

Cllr Taylor updated councillors that the Trust have ordered the installation of a new bridge from the Village Hall car park to the playing field. The Trust has declined a request by a football club to use the pitch due to health and safety concerns with the rabbit holes. Cllr Taylor to discuss the grass cutting of the playing field when the Golf Club returns to full staffing levels. Cllr Schwenk updated councillors that while the Village Hall is not being used it is being inspected regularly.

20/168 Questions to the Chair

The Clerk was asked to use his delegated powers to ensure that the defibrillator at the Village Hall is in a working condition. He was also asked to see how an access device could be added to the cabinet. With a number of residents using the pavement more regularly, the Clerk was asked to contact the owners of two hedges along the A134, where pedestrians are having to step into the road to pass, to ask for the hedges to be cut back.

20/169 Next Meeting

The next scheduled meeting is on Wednesday 10th June 2020 starting at 7.30pm.

The meeting closed at 9.30pm

Appendix A Clerk's Report

Minute	Action	Complete ✓
	I have reconciled the 2019 / 2020 Accounts and in doing so have resolved the duplicate payment of the SALC Annual Subscriptions with a £251.49 payment being refunded to NPC's bank account. I also stopped a payment to Sudbury Town Council of £132.08 which was not due. I have recovered from Babergh £279.28 of recycling credits that were not claimed by NPC. SCC are not able to pay for the second cut of the footpaths that NPC failed to invoice.	
	I have made the application for the VAT paid by NPC during 2019 / 2020 and as explained in the meeting pack I have submitted the report to Groundworks, showing how much NPC has spent of the Neighbourhood Plan grant.	
	Sid Scammel is preparing a quote for the repair of the Village Hall notice board.	
	With only one quotation being obtained for the grass cutting, following a discussion with the Chairman, Flowers Groundcare has been awarded the playing field grass cutting contract with the tender process being deferred until the autumn.	
	I have submitted the 2019 / 2020 Audit file to Heelis & Lodge for the Internal Audit.	
	The Annual Governance and Accountability Return 2019 / 2020 for the External Auditors will be reviewed by councillors at the June meeting.

YOUR NEWS

I am sure many other residents, like me, are concerned about the speed that people drive through our village. The 30 mph speed limit is often ignored, particularly by cars entering the village from the Sudbury direction (as shown by recent analysis by the road traffic police). Residents who live along the Sudbury Road like we do will probably be the most aware of this, as it can often make pulling out of our driveways difficult. I have been increasingly frustrated by this, and looking for ways to improve the situation. I have recently purchased stickers for our wheelie bins encouraging people to slow down, drive safely and obey the 30 mph limit. I wonder if other residents would consider doing the same? My stickers came from Amazon and were only approx £10. There is plenty of choice. I am delighted that the village is going to have its own permanent speed indicator display signs, and look forward to these being in use soon.

WILLIAM ALSTON CHARITY

After many years of service, Alan Vince has decided to step down as a trustee and Chairman of this Newton charity. We would like to offer our sincere thanks for all of his hard work and we know his wealth of experience will be sadly missed.

I was mugged in a dark alley and held hostage until I agreed to offer my services as a trustee and hopefully this will be ratified at the next Parish Council meeting. In the meantime, I have taken possession of 2 box files of information and once I have digested all of this information and learnt more about the charity, I'll write a bit more as I'm sure, like me, you may not know that much about its history, how it operates and who it helps.

This is the first page of an old accounts book that was passed to me and shows payments made in 1895. Amazing. The other trustees are Maureen Williams and Janet Taylor and Rev. Rob is an ex-officio member.

Once again, thanks Alan, for all of your hard work over the years. **Sue Presland**

Keld Ensemble had been hoping to perform at St. Martin-in-the-Fields this week and afterwards to launch a new CD of concertos by **Felix Mendelssohn**.

As public events are suspended at this time we are pleased to launch the CD online.

Keld Ensemble, conducted by **Matt Andrews**, presents **Mendelssohn Rediscovered** ; concertos written by a teenage Mendelssohn. International pianist, **Bela Hartmann** performs the piano concerto in A minor, whilst Keld Ensemble co-leader, **Mona Kodama** is soloist for the D minor violin concerto.

Recorded at West Road Concert Hall, Cambridge by **Simon Vout** in just one day, we hope you may like to purchase your copy here

- The CD is available for just **£9**
- You can make payment via BACS (**bank details supplied**)
- **Email : jonnyacton@gmail.com or Tel : 01787 372670**
- Alternatively you can send a cheque to :
