Recreation Ground Update

I am pleased to say, despite the wet weather, Tennis 2000 were able to start the building of our New Multi Use Games Area on time and they are making excellent progress. The groundwork is nearing completion and we hope the Tarmac will be laid during the first week of November. If the winter weather is kind to us, the MUGA should be completed by the end of the year.

All Play Solutions should begin work on our new play areas and the fitness zone by mid November and they also expect to complete their projects by the end of 2020. More news in the December edition.

Thank you for your cooperation with all the above matters.

Best wishes and stay safe.

Paul Presland, Chairman, Newton Parish Council

Royal British Legion Poppy Appeal - Newton.

Unfortunately our usual door-to-door Poppy Appeal collection can't take place this year. However our ever resourceful resident RBL co-ordinator, Russ Bower, will still be making poppies available.

From Monday 26th a stall selling poppies will be set in the front garden of 4 Nicholson Court and donations, however large or small, can be left in the letter box outside of his front door. In addition, he has left collection boxes at the Saracens Head, the golf club and Old Joe's driving range. Please do support. [#PoppyAppeal](#) [#remembrance](#) [#royalbritishlegion](#)
