## Recreation Ground Update

The Parish Council is pleased to announce that work on the construction of our new Multi Use Games Area is scheduled to begin week beginning 5th October 2020. Tennis 2000 expect the project to take approximately 8 weeks to complete. At the end of November 2020 All Play Solutions will start to build our two new playgrounds and our outdoor forever fitness area.

Contractors' vehicles will access the field via the side entrance from School Road and both projects will have their own secure compounds. For security and health and safety reasons the sites will have Harris fencing surrounding them and villagers and their families are asked to keep away from these construction areas.

Further updates will be published in the November and December editions of the Village Newsletter. In the meantime, if you have any questions about this refurbishment please do not hesitate to contact our Clerk, Dave Crimmin.

(NB . Because of Covid 19 and our winter weather, completion dates may vary.)

## Annual Firework Display

Just a reminder that this year's event has been postponed because of Covid 19 restrictions.

## Newton Neighbourhood Plan.

Thank you to all villagers who have provided feedback to our Clerk about the draft NNP. Just a reminder that the consultation period ends on the 12/10 /20 and , therefore , if you still want to 'have your say' on this matter please take the opportunity to comment before the deadline.

## Volunteers needed

The Parish Council is looking for volunteers who would be able to give a small amount of time to assist with various repairs to some of the village's assets. In particular, at the moment, our village sign on the green at the front of the Deans is in need of some TLC by being re-painted. If you are feeling artistic and have some spare time, could YOU help?

It would be particularly useful if the Parish Council could have a list of volunteers with different skills who would be willing to give up some time to help with any odd jobs that need to be done. If you think you would be able to help, please contact the Parish Clerk, Dave Crimmin email [newtonpc2@gmail.com](mailto:newtonpc2@gmail.com).

**Thank you for your cooperation with all the above matters.**

**Best wishes and stay safe.**

**Paul Presland, Chairman, Newton Parish Council**

## Sponsored Church Cycle

A big thank you to everybody who sponsored us for the bike ride. It was a perfect day weather wise and although not all the churches were open we managed to visit 28 of them cycling over 40 miles. After leaving Newton we made our way into Sudbury and from there went via Bures to Nayland. After that we went across to Boxted, Dedham, Higham and into Stoke by Nayland. When we got to Assington church there was a group of vintage cars who were taking part in the Drive, Ride and Stride!

We have managed to raise £220 - half of which goes to All Saints Church Newton and the other half to the Suffolk Historic Churches Trust.  
Thanks again!

## NEWTON PARISH COUNCIL

Minutes of meeting held on 9<sup>th</sup> September 2020 via Videoconference

### 20/239 NPC Standing Orders

In accordance to NPC's Standing Order 3d the councillors resolved the exclusion of the public and press from the meeting due to the confidential nature of the Clerk's Contract of Employment and the commercial confidentiality of the tenders for the Recreation Ground.

### 20/240 Recreation Ground

The Clerk updated councillors on the progress of the project since the last NPC meeting on the 27<sup>th</sup> August 2020. Following the decision by NPC to proceed with the quotations received from Tennis 2000 for the MUGA and All Play Solutions for the Play Equipment and Forever Fit Equipment, Zoom meetings were held with both the suppliers on the 3<sup>rd</sup> and 4<sup>th</sup> September 2020. In both meetings the revised layout for the equipment and MUGA (as below) was discussed and All Play Solutions are happy to be working on the "greenfield" sites.

The Clerk has been in communication with Babergh's Planning Department in relation to the proposed move of the equipment and MUGA. It soon became apparent that as a local authority, NPC did not need to obtain planning permission for the upgrade of equipment as under Part 12 of the General Permitted Development Order NPC met the criteria. I wrote to Babergh to clarify the position as follows:

*"In reviewing Part 12 of the General Permitted Development Order that you have referenced, I consider that NPC meet the criteria to have the permitted development rights to replace the play equipment on the Recreation Ground and to include a MUGA based on the following:*

- *The Recreation Ground has been owned by the parish since 1978 when it was purchased by villagers and put into trust (Newton Green Trust – Charity Commission Ref 271085). NPC has*

**NEWTON PARISH COUNCIL****Minutes of meeting held on 9<sup>th</sup> September 2020 via Videoconference**

*installed and maintained the play equipment and the grass areas on which the equipment is placed in the Recreation Ground since the 1980's.*

- *The tallest piece of equipment planned in the refurbishment is 3.46 metres high and the total cubic capacity of the equipment is well below 200 cubic metres."*

Babergh's Planning Department responded to this "..... with the submitted information I cannot see any reason why this would need Planning permission. The provision of play equipment etc. can be seen as part of the Local Authority (Newton PC) performing its functions. Given the size limits you have described this would not need Planning permission."

- The councillors resolved that based on the feedback received, that the layout of the play equipment and MUGA in the Recreation Ground did not require planning permission. The councillors also resolved by a majority (Cllr Taylor against) that the play equipment (Items II & III on map) be moved as indicated in order to create seating and picnic areas, boules and landscaped features for adults and children accessing the equipment. However, approval was required from Newton Green Trust and it was agreed that representatives from both NPC and the Trust would meet the suppliers to agree the final positions for the MUGA and play equipment.
- Cllr Presland will obtain references for the two suppliers on Thursday 10<sup>th</sup> September 2020. Until he confirms that acceptable references have been received, the Clerk will not issue any Purchase Orders, Contracts or deposits to the suppliers.
- The Clerk gave councillors an overview of the costs of the contracts as agreed on the 27<sup>th</sup> August 2020 and as negotiated subsequently with suppliers. The councillors resolved to proceed with a 35 by 17 metre MUGA and to include the following options; Root Barrier, additional 50mm of base stone, basketball nets and a Binder coating for the tarmacadam surface.
