PARISH COUNCIL HEADLINES

1. The Parish Council is pleased to report that Bev. Faulkner has successfully gained planning permission to open a shop within the Saracen's Head public house. For many years people have expressed a wish to see the return of a shop in Newton and so this new village amenity will be most welcome and should be well used. We wish Bev. and her team the very best with the new venture. As Spring arrives let us hope we can visit the new shop as well as joining together again at the Saracen's Head over our favourite tippie.
2. Work has now started on the affordable homes located at the back of Alston Close and details of how to rent one of the properties can be found on the village website.
3. The booking system for the new MUGA has been organised and details can be found on the village website. As soon as COVID restrictions allow , the facility will reopen.
4. We are hopeful that work on our two new playgrounds can begin in early March ready for opening in the early summer.
5. The old rickety bridge leading into the playing fields has been removed and a new steel structure will be installed before the end of February.

Paul Presland
Newton Parish Council Chairman

EDITOR:

Thank you to all our advertisers for continuing to support our village newsletter. A big thank you to those people who send cheque donations. It is much appreciated. As many of you know, I am a teacher and in this current situation, I am finding it increasingly hard to find the time to produce the newsletter. Online teaching is not the same as face to face teaching and is extremely stressful and planning and preparation eats into any spare time I have.

I am reluctant to give it up, but there may be occasions when the newsletter may be issued bi-monthly until things return to, dare I say it, 'Normal'.

A big 'thank you' to the people who deliver, especially Tony and Carole Langley, who staple and organise delivery, and Sue and Paul Presland who provide content for you to read.

YOUR NEWS

CAN ANYONE HELP?

I am collecting miniature toiletries and phone chargers for those suffering with covid in hospital. It has been said that as they are often being taken into hospital with short or no notice, they cannot pack a bag. Hospitals need shower gels, shampoo, deodorants and tooth paste for patients when recovering. In addition although you often have your phone on you they need charging. And so as the only form of communication with family they desperately need a range of chargers. Plug or USB is fine.

If you are able to grab an item or two when you pop to a shop or add any items to your online delivery, or have any unused lying around they would be very gratefully received.

I can collect, or if you pass I am at Carlton Cottage, on the main road just before Airey Close.

Many thanks, **Erin Hammett**
