## PARISH COUNCIL HEADLINES

### RECREATION GROUND UPDATE

#### MUGA

The Parish Council is very pleased this new village sporting facility is already proving popular with villagers. Comments have been favourable about the booking system and the quality of the structure. A few questions have been asked about the lack of sporting markings and Councillors want to reassure people that tennis, basketball, netball and football lines will be put down once the final colour green is sprayed on to the surface. Weather permitting, we expect that process to take place in the next few weeks. During that process it will be necessary to close the MUGA for the work to be completed. The area surrounding the MUGA will be rotivated and seeded within the same time slot.

The Forever Fitness equipment has had its safety check and can now be used. People are asked to warm up thoroughly before using the machines and to take a cloth to wipe down equipment after use. Although some machines are designed for use by two people, during Covid restrictions, please do not use a machine if somebody else is using it.

#### NEW PLAYGROUNDS

Councillors met with the new contractor on the 20th of April and agreed the positions of the equipment. Work is due to commence on the 24th of June and we hope the new playgrounds will be completed by the beginning of the school summer holidays.

#### NEW POWER SUPPLY

In preparation for future village events on the recreation grounds, a new electrical power supply will be installed in the next few weeks. We are grateful to the Village Hall committee for agreeing for an additional spur to be taken from the Village Hall.

**6.00PM BENEFICE EVENSONG**

The weather was kind to us for our Easter Sunday service and the church looked lovely thanks to the efforts of everyone who helped with the cleaning and the flowers. Many thanks to all of you who turned up to help with this.

Just a reminder that services are back to normal and will be held on the fourth Sunday of the month at 11.00am. Covid restrictions apply and masks must be worn.

The church is now open at all times for private prayer and contemplation. The churchyard is a lovely place to sit and enjoy the peace and quiet, apart from the crows wishing to entertain you.

**It was the AGM of the Parochial Parish Council on Tuesday 20<sup>th</sup> April.**

Due to Covid this was held via Zoom.

The elected PCC members for this year are:

Peter Schwenk has again been given the contract for churchyard maintenance. Again, the PCC wish to thank him for his hard work over the past year.

**Future events to look forward to:**

The PCC plan to hold a coffee morning in the church when Covid allows. More details to follow.

The idea of Champing is being investigated.

**21/064      Apologies for Absence**

No apologies required.

**21/065      Declaration of Interests and Requests for Dispensation**

Cllr Taylor declared a Pecuniary interest in item 21/071a as he has a business association with the applicant and left the meeting while the item was discussed. No requests for dispensation had been received.

**21/066      Minutes of Meeting held on 29<sup>th</sup> March 2021**

The minutes of the meeting were approved by the councillors who resolved that the minutes should be digitally signed by the Chairman as a correct record.

**21/067      Public Forum**

Two members of the public spoke on behalf of their residents associations opposition to the proposals for item 21/071a. They considered that an industrial usage of the barn was not appropriate due to highway safety, damage to verges and golf course, increased traffic and industrial abuse in an agricultural area. The councillors reviewed James Finch's previously circulated report and he updated councillors on the Bramford to Twinstead consultation, COVID-19, a Rapid Testing Centre, Broadband plans, ANPR now being launched across Suffolk, Healing Woods and adoption.

Lee Parker updated councillors on COVID Start-up Grants, Bramford to Twinstead consultation, Babergh's scheme to offer trees, hedges and wildflower seeds to parishes.

Cllr Presland will represent Newton on the parish liaison group which plans to create a collective response to the Bramford to Twinstead consultation. Babergh's scheme to supply trees etc to be on the May agenda.

## **21/071      Planning**

- a. The councillors reviewed **Planning Application DC/21/01451 Rotten Row Farm, Rotten Row** - Continued use of buildings for agricultural, industrial and commercial purposes and resolved (Cllr Vince abstaining) to strongly object to the application on the following grounds:
  - i. Newton's emerging Neighbourhood Plan (currently at Regulation 16 Submission stage) has designated the Golf Course and common land as Local Green Spaces as follows:

### **POLICY NEWT 4: LOCAL GREEN SPACES**

1. The following areas shown on map 5 and on the Policies Map are designated as Local Green Spaces:

- a. Newton Green village playing field and play spaces
- b. Newton Green Golf Course / common land
- c. Newton allotments
- d. All Saints Church churchyard.

2. Proposals for development on a Local Green Space will only be permitted in very special circumstances or where the function or character of the local green space will clearly be enhanced.

The councillors do not consider that the proposal for an industrial unit will enhance the function or character of this Local Green Space.

- ii. From the application it is not possible to understand the Class of Use, the Types of Business being able to operate or the hours of operation being proposed.
  - iii. Whilst the councillors expect agricultural vehicles to use this area and the access roads, the high number of vehicle movements to the existing industrial site operating at the barn is not sustainable on the access roads to the A134.
  - iv. There are already grave concerns over the highway safety of the existing vehicles accessing the site. Any increase on the number of vehicles is unacceptable.
  - v. The area is already suffering from the illegal operation at the site with abandoned vehicles, excessive noise and industrial odours impacting on the environment.
  - vi. The proposed continuation of the existing illegal industrial use is not acceptable for this rural location.
- b. No further planning application had been received since the agenda was posted requiring a response before the next meeting.
  - c. The councillors reviewed the status of previous applications, appeals and enforcement referrals (Appendix D).

## **21/072      Recreation Ground**
